### Obituary of D. H. Wheeler.

David Henry Wheeler was born June 20, 1830, and departed this mortal life September 10, 1906, making his sojourn on earth 76 years, 2 months and 20 days. He was baptized in infancy, and in early life was confirmed into full communion with St. Peter's (Piney Woods) Evangelical Lutheran church upon his profession of personal faith in the Lord Jesus Christ. He remained a faithful, consistent member of his church unto the end, ever ready to spend and be spent for her good and prosperity. Nearly all his life he was an officer of his church, serving as an elder for 20 years, to which office he was elected when he was at the age of 27 years, and holding the office of treasurer for 25 years. Thus he lived and died in the faith, and we confidently believe that his soul is now in the company of those who have washed their robes and made them white in the blood of the lamb. In his death St. Peter's congregation has lost a true and tried pillar and a wise counsellor whose words and deeds will be missed in the councils and activities of our congregation. Let us cherish his memory and profit by the example which he has set before us.

March 16, 1868, he was married to Ellen Georgeann Lorick. This union was blessed by four children: Samuel F. Wheeler, proprietor of the Columbia Hotel, Columbia, S. C., and of the Wheeler Hotel, Hendersonville, N. C.; Jacob S. Wheeler, a doctor of medicine, of Prosperity, S. C.; Henry F. Wheeler, a merchant and farmer, and Martin L. Wheeler, a farmer on the old homestead. Mrs. Wheeler preceded her husband to the spirit world more than 11 years ago, having departed this life February 14, 1895. Her memory was deeply cherished by the deceased, he having lived a widower in remembrance of her love all the remaining years of his life. He was at all times a kind and considerate father to his children, giving both his time and energy for their development and welfare.

As a man of affairs he was eminently successful. Being quick to see and quick to act when opportunity offered, he accumulated a large property, which he managed wisely and well. As a citizen and a neighbor he was always ready to give his time and his means for what he believed to be for the public good and for the comfort of his fellow men.

In the church, in the State and in the community, he filled an unique place; and his counsels, his energy and his presence will be missed in all these different paths of life.

But he is no more. On the 1st day of May, 1905, he was stricken with paralysis. He rallied from this, but several other strokes followed until Monday evening, September 10, about 2 o'clock, his spirit left its tenement of clay and was wafted to the world beyond. He suffered much, but he is now where the wicked cease from troubling and the weary are at rest. Peace to his ashes, and rest to his immortal soul.

Besides his wife, five sisters and two brothers preceded him to the other land. He leaves to mourn his departure a sister, a brother, four sons and one grandchild, besides a large circle of other relatives and friends.

On Tuesday evening, September 11, his body was laid to rest in the cemetery of St. Peter's (Piney Woods) Lutheran church, the funeral services being conducted by his pastor, the Rev. E. J. Sox. The active pall bearers were, C. S. Matthews, L. B. Frick, Geo. Krell, D. C. Boland, J. Adam Amick, D. W. Frick. The honorary: L. A. Frick, J. J. Cannon, Joshua Shealy, Luther Koon, A. G. Meyer, G. U. Meyer. E. J. S.

### Results of Neglect.

In most cases consumption results from a neglected or improperly treated cold. Foley's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the unknown preparations and you should insist upon having the genuine in the yellow package. Kaufman Drug Co.

### The Next House.

The Democrats have been claiming that they would have a working majority in the next house of congress. To one outside of the whirl and foam and froth of politics that seems to be a very unreasonable expectation and that our leaders know that they have no chance to secure a majority. There are 386 members in the house. A majority is 194. At present there are 136 Democrats and 250 Republicans. To get a bare majority the Democrats will have to hold what they have and get 58 members besides. Under present conditions they can not do that. The people generally are satisfied with business conditions. There are

no great complaints against the Republican party made by the masses. Then it is only five weeks to the election and little change in sentiment is expected in that short time. The Republican majority of 114 cannot be overcome this year. They have quietly put in good work in doubtful districts. Of the 114 majority they have 30 to 40 belonging to the Democrats. They were swept into the Republican line by the Roosevelt wave two years ago. They ought to come back this year. The Democrats are entitled to about 175 to 180 members this year. If they do not get them they will have only themselves to blame.—Ex.

### Convicted of Manslaughter.

Ubi V. Millican, 18 years old, who killed his stepfather, P. L. Cannon, was convicted of manslaughter in Spartanburg on Thursday and sentenced to two years in the penitentiary. He was released on \$1,000 bail pending motion for a new trial. The defense was that Millican acted in defense of his sister's honor, as Cannon had threatened her repeatedly and abused his mother. The testimony was strongly favorable to the defendant, for whom there was a great degree of public sentiment. A petition for his pardon has been prepared and the jury has signed it.

### Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by The Kaufmann Drug Co.

### "Keep to the Right."

Everybody walking or driving should "keep to the right" and give their portion of space on the sidewalk or in road, and thus avoid any trouble in passing each other. This is a good text for the preachers, for it is necessary that we all keep to the right morally and religiously.

A cold taken at this time of the year is generally hard to get rid of but it will not be able to withstand Bee's Laxative Honey and Tar. That will cure all colds, coughs, croup, whooping cough, etc., by driving them out through the bowels. If you have a cold, try it and if not cured get your money back. No opiates. Sold by The Kaufmann Drug Co.

The second trial of G. Wash Hunter for the killing of Elbert Copeland in Laurens county resulted in a mistrial on Thursday. Hunter was released on \$4,000 bail.

Harry Shokes, aged 20, committed suicide on Monday night in Charleston by shooting himself in the head with a pistol. Disappointment in love was the cause.

Foley's Honey and Tar cures the most obstinate coughs and expels the cold from the system as it is mildly laxative. It is guaranteed. Do not risk taking any but the genuine in the yellow package Kaufman Drug Co.

At the sessions court for Aiken which opens the last of October there will be for trial six murder cases, one case of criminal assault and two for attempted assault.

Philosophy is very satisfactory if you never try to use it on yourself.
