### Obituary of S. W. Bookman.

Samuel W. Bookman was born August 30, 1836, and died September 12, 1906, age 70 years and 12 days. In early life he became a confirmed member of Bethlehem E. L. congregation, Irmo, S. C. He loved his church and was always regular in duty and attendance until infirmities prevented him. He served his age acceptably as mill-wright. During the civil war he bravely did his duty in the Confederate army in Company C, 21th S. C. Regiment. In 1856 he was married to Harriet Coogler and to them were born 4 children. Her death preceded his. In 1892 he was married to Miss Amanda Coogler.

Father Bookman was a good, true man, noted for his cheerfulness and hospitality. After much patient suffering he calmly fell asleep in Jesus. He leaves to mourn his loss an aged and devoted wife, one son, one daughter, one sister, eight grand children, many relatives and friends. His body was laid to rest in the old Bookman church cemetery in the presence of a large congregation. "Blessed are the dead which die in the Lord." The funeral services were conducted by his pastor, Enoch Hite.

### Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale by The Kaufmann Drug Co.

The town of Seneca, S. C., was visited by a disastrous fire on Wednesday night. The loss is estimated at \$82,000 with about \$25,000 insurance.

Charlotte, N. C., Oct. 16.—Sheriff Hood, of Fairfield county, S. C., shot and killed Fred Grimes, alias Henry Johnson, an escaped convict of Fairfield county, this morning, in Union county, near here. The negro drew his gun and started to shoot, but the sheriff was to quick for him.

# Quality Did It!

The fact that SCHNAPPS is so widely imitated only proves that it is the best chew—the standard flat plug. Other plugs are made to imitate the size and shape and color of SCHNAPPS—other tags are made to look like SCHNAPPS tags—yet there are more pounds of SCHNAPPS chewed annually than all other similar tobaccos.

# Schnapps

SCHNAPPS is made of only choice selections of well matured, thoroughly cured leaf, and in factories as clean as the cleanest kitchen, situated in the very heart of the greatest chewing tobacco growing country, by men of 150-long experience in tobacco manufacturing, and who have directed the R. J. Reynolds Tobacco Company since 1875.

SCHNAPPS has the pleasing, appetizing aroma which created and popularized the fondness for chewing. Expert tests prove that it requires and takes a smaller amount of sweetening than any other kind—and has a wholesome, stimulating and satisfying effect on chewers.

Internal revenue statistics show that SCHNAPPS and other of the Reynolds brands won enough chewers in one fiscal year to make a net gain of six and a quarter million pounds, or one-third of the entire increased consumption in the United States on chewing and smoking tobacco.

Be sure the letters on the tag and under the tag spell S-C-H-N-A-P-P-S, and you will have the genuine.
