Girl of Fifteen Fired at Negro.

Calmly glancing down the barrel of a double-barreled shotgun, the business end of which she trained deliberately upon the bulky form of her assailant, Miss Ida Smith, a young girl 15 years of age, living seven miles southeast of Decatur, near Snapping creek, emptied both barrels of the weapon at Jim Sellers, a negro who was advancing upon her with an up-lifted knife, and saved herself from being murdered at her home Friday afternoon.

At the time the negro attempted to take her life Miss Smith was alone at the home of her parents with only a 3-year-old infant as her companion. The babe was sleeping quietly upon the bed and the industrious young girl was whitewashing the hearth of the front room. Her mother, in company with a neighbor, had gone to the nearby creek to fish.

Suddenly the silence of the room was broken by the grating of a window in the rear. Hastily turning, Miss Smith was almost paralyzed to see the burly form of a negro crawling through the opening with a long knife open in his hand.

"I am going to kill you, and I am going to do it now," growled the negro as he placed one foot over the window sill and prepared to draw his body into the room. Not for one instant did the heroic young woman hesitate. Something must be done and done quickly. Dropping the whitewash brush to the floor, she sprang to the side of the bed, as the negro supposed, to secure the sleeping baby and flee. But Miss Smith did not contemplate flight.

A double-barreled shot gun stood by the side of the bed. Grasping the weapon in her strong young arms she threw it to her shoulder and without any preliminary warning or threats discharged both barrels at the advancing negro. By some mischance none of the shots took effect, but seeing that he was foiled and that his own life was in danger the negro bolted through the open window and fled.—Atlanta Georgian and News.

A Card.

This is to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures la grippe coughs and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. Kaufmann Drug Co.

Postal Clerk Admits Theft.

Edward A. Nelson, railway mail clerk running from Wilmington to Rocky Mount, N. C., has confessed to stealing a packet containing \$10,000, which was sent from Wilmington to New York about two weeks ago, but never reached its destination.

Nelson was arrested in New York last week, but did not confess until the money was found under his house, where he had it buried. \$9,400 was recovered.

Nelson was recently married and is only 27 years old.

Whooping Cough.

I have used Chamberlain's Cough Remedy in my family in cases of whooping cough, and I want to tell you that it is the best medicine that I have ever used. W. F. GASTON, Pasco, Ga. This remedy is safe and sure. For sale by Kaufmann Drug Co.

Bleeding From The Nose.

Unless it goes too far, need not alarm you; nay, in many cases may prevent something much more serious; but when it requires to be stopped, let the child sit upright, bathe the neck and face with cold water, and dissolve a little alum in water and squirt it up the nostrils. If this does not succeed send for a doctor.

**Pale, Thin,
Nervous?**

Then your blood must be in a very bad condition. You certainly know what to take, then take it—Ayer's Sarsaparilla. If you doubt, then consult your doctor. We know what he will say about this grand old family medicine.

This is the first question your doctor would ask: "Are your bowels regular?" He knows that daily action of the bowels is absolutely essential to recovery. Keep your liver active and your bowels regular by taking laxative doses of Ayer's Pills.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobaccos, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real Schnapps—they'll realize what enjoyment they've missed by not getting SCHNAPPS long ago—then they'll feel like kicking themselves.

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.

Elopers Drown Themselves.

Clifton Forge, Va., April 18.—After being arrested and brought back here because they attempted to elope to Washington, where they intended being united in the bonds of matrimony, Miss Mabel Pendleton, a 17-year-old girl, plunged from the suspension bridge over Jackson river, and Stewart C. Gay, age 19, who was to have become her husband, jumped to save his sweetheart's life, but was attacked with cramps when within a few feet of the bank and both were drowned. A negro made vain effort to save the pair, who sank together.

Gay was a son of Conductor Charles Gay of the Chesapeake & Ohio railroad. Miss Pendleton was formerly from Buckingham county and highly connected.

We Guarantee Satisfaction.

J. A. Brogdon, of the National Sign Co., Dayton, O., writes under date of Oct. 12, 1906: "Nosena is the only preparation I have ever used that relieves my affection so speedily and pleasantly. I am getting the first real pleasure out of breathing that I have experienced since I contracted catarrh six years ago. Money would not buy my tube of Nosena if I could not get another."

Buy Nosena from Derrick's Drug Store and C. E. Corley and get your money back if not satisfied. Sample tube and booklet by mail 10 cents.

Severe Pains

In the bowels and stomach are often speedily relieved by the application of a bag of hot salt. A weak solution of salt and water is recommended by good physicians as a remedy for imperfect digestion; and for a cold in the head it is a complete cure snuffed up from the hollow of the hand. We have known severe chronic cases of catarrh entirely cured by persistent use of this simple remedy every night and morning for several months, when the best efforts of the best physicians failed to do any good.

The New Pure Food and Drug Law.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law, as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Kaufmann Drug Co.

Limbs for Veterans.

The State pension board yesterday made arrangements for the purchase of artificial limbs from A. L. Peters, of Richmond, Va., who submitted a bid of \$60 per limb. There were a number of representatives present at the meeting of the board and the firm awarded the bid stated that a branch office would be opened in Columbia and during the reunion a large number of the veterans visiting Columbia would be measured and the limbs sent them. The act does not allow the money to be given in place of the limb and an itemized report must be made on the \$5,000 spent for this purpose.

The board also went over a number of the county rolls, but it will be several days before they complete this work.—The State, 15th.
