Plant Peas and Sorghum.

With hay selling in our markets at \$25 per ton cash, and being shipped in from the West in large quantities, it is the clear duty of every farmer, large or small, tenant, cropper or landlord, to provide a way through the coming months to sow a few acres in forage so as to harvest a good yield of hay this fall. There is no better combination crop for this purpose than peas and sorghum sown together. Just a few acres of land well prepared and fertilized will yield an astonishing amount of forage. One bushel of peas and a peck of sorghum sown broadcast to the acre and harrowed in during the months of May or June will pay a tremendous profit on the investment.

If the peas cannot be secured, then plant all sorghum or German millet. No man who raises cotton at present prices can afford to buy western hay at \$25 to \$30 per ton upon which to feed his stock. It wipes out all the profit of the cotton crop to pay for such supplies and we had better plant a few acres less in cotton and practice a little more extensive diversification. Plant peas and sorghum with which to fill your barn lofts next fall.—Cotton Journal.

"Right Hand of Fellowship."

The Lexington Dispatch and The Bamberg Herald are among the recent converts to prohibition. These estimable journals are now advocating the voting out of the dispensary in their respective counties. The Advertiser extends the "right-hand of fellowship" to these brethren.—Edgefield Advertiser.

Notice to Our Customers.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Kaufmann Drug Co.

Lived Honest Life After His Escape; May be Pardoned.

Washington.—In a note to the department of justice, President Roosevelt expressed the opinion that John William January, of Missouri, should have his sentence commuted at once or be pardoned outright. January was convicted some years ago of robbing a postoffice in Oklahoma and served the greater portion of a five-year sentence at Leavenworth. He then escaped and after nine years of liberty was re-arrested in Kansas City and returned to prison.

Shortly after his escape, January, under an assumed name, secured employment and eventually established himself in business, which he was successfully conducting at the time of his re-arrest. He married and has a child.

We Guarantee Satisfaction.

J. A. Brogdon, of the National Sign Co., Dayton, O., writes under date of Oct. 12, 1906: "Nosena is the only preparation I have ever used that relieves my affection so speedily and pleasantly. I am getting the first real pleasure out of breathing that I have experienced since I contracted catarrh six years ago. Money would not buy my tube of Nosena if I could not get another."

Buy Nosena from Derrick's Drug Store and C. E. Corley and get your money back if not satisfied. Sample tube and booklet by mail 10 cents.

Negro Must Hang for Assault.

Frankfort, Ky., May 2.—The Kentucky law inflicting the death penalty for criminal assault was sustained in a remarkably terse and comprehensive opinion filed by the court of appeals today, affirming a death sentence imposed on Harrison Alexander, colored, for an assault on a white woman in Muhlenberg county.

**We Trust
Doctors**

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetables.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of SCHNAPPS Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chewer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country flue-cured tobaccos, and that SCHNAPPS is what he ought to chew. Still there are chewers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real Schnapps—they'll realize what enjoyment they've missed by not getting SCHNAPPS long ago—then they'll feel like kicking themselves.

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.

Lutheran Church Corner Stone Laying.

Spartanburg, May 2.—The corner stone of the Lutheran church of which Rev. S. T. Hallman is pastor, was laid Tuesday afternoon with impressive ceremonies in the presence of a large crowd.

Dr. Hallman, the pastor of the church, addressed a few remarks to those present and presented Dr. R. C. Holland, the orator for the occasion.

The Lutheran church, now in course of construction, is the first church of this denomination in Spartanburg. For several years the members have been worshipping in the Converse Street school building.—Augusta Chronicle.

The above will be of great interest to the people of this county, inasmuch as Dr. Hallman is a native Lexingtonian, and has many friends and relatives in this county, who will be glad to know of the wonderful work he is doing in Spartanburg.

Parental Law Needed.

This is what a rural editor says about young idlers: "We are raising too many society fops, parlor soldiers and cigarette suckers and street loafers. When we see a little foppish, short dress, silly girl, just jumping into her teens, gadding up and down the streets, talking slang and flirting with the boys, entertaining young jobless bloods in the parlor in the night time when she ought to be in her trundle bed beneath her mother's tucked snugly in; when we see knee pants kids and beardless youths loafing up and down the streets who are too trifling to think and too stuck up to do odd jobs around home, we exclaim it's not statutory law that we need, but it's parental law."—Kansas City Post.

For stomach troubles, biliousness and constipation try Chamberlain's Stomach and Liver Tablets. Many remarkable cures have been effected by them. Price 25 cents. Samples free. For sale by Kaufmann Drug Co.

Where The Money Goes.

We frequently hear the jug trade mentioned as an excuse for the existence of a dispensary in our town. We would like to call the attention of all such to the fact that all the thousands of dollars paid for dispensary liquor goes to the north and west and nothing remains here but the profits and that will not be as much as heretofore. Some people seem to think that the whiskey sold in the dispensary is a product of the state and therefore we must buy it. We dare say that the jug trade whiskey of equal quality can be bought for less than the dispensary liquor and it would be a saving to the people of the county, if they must have liquor, to patronize the jug trade.—Chesterfield Advertiser.
