About the place you buy shoes

Anybody can sell a shoe for say \$3.00, but there is a world of difference in the worth of each \$3.00 shoe.

Some shoes sold at \$3.00 are not worth \$2.00; others are nearer worth \$3.50.

It is up to you to get the best at the price, and you can't be certain you are getting the best until you see the kind we sell.
