#### Installation.

Sunday at 11 a. m., Rev. W. H. Hiller was duly installed pastor of St. Stephen's Lutheran church by Rev. C. A. Freed, of Columbia. The purpose of this service was to officially recognize by the S. C. Synod, through Mr. Freed, the relation of pastor and congregation and to point out the duties of each growing out of that relationship.

A large and attentive congregation was present. The preacher chose as his text 2nd Cor. 5:14—"For the love of Christ containeth us." The sermon was thoughtful, appropriate and well delivered. The love of Christ for us was put forth as the motive that is to control pastor and people in their work. The pastor was charged to preach the pure gospel, stand for the truth, to mingle with and learn to know his flock, so as to be helpful to them.

The congregation was charged to support the pastor in every worthy undertaking, open their hearts to him, in order that he might help them in sympathy and love. A strong plea was made for unity and peace in the congregation; for not only passive consent for the pastor to carry out his plans of work, but for active cooperation. Altogether, it was a very timely discourse, and we shall anticipate with pleasure the return of Rev. Freed. God bless the day to our good!

#### W. H. Hiller, Jr.

Rev. W. H. Hiller came down town at an unusually early hour last Wednesday morning, his face aglow with "that smile that won't come off." He was evidently looking for the census taker, stating that the population of our little city had been increased and he desired to have it show immediately upon the census report. Rev. Hiller says it is a most promising ten-pound boy. The mother and son are doing nicely and the attending physician—Dr. Derrick—gives the encouraging report, that with proper care Rev. Hiller will speedily recover from his "son-stroke."

A girl hates to have you muss her hair when you kiss her unless she says she does.

About the place you buy shoes

Anybody can sell a shoe for say \$3.00, but there is a world of difference in the worth of each \$3.00 shoe.

Some shoes sold at \$3.00 are not worth \$2.00; others are nearer worth \$3.50.

It is up to you to get the best at the price, and you can't be certain you are getting the best until you see the kind we sell.
