

Ready for Fall Business!

Every department in our big establishment is filled up with Fall Goods, including everything that is new and correct in Dress Goods, Millinery, Suits, Skirts, Cloaks, Clothing, Shoes Hats, etc., and in fact everything that a man or woman wears. We could not enumerate if we wished to do so. Come and look through our immense stock. Our doors are opened and we bid our Lexington friends welcome. The South demands broader ideas of business and more extensive and varied stocks. The department store is one of the steps in this direction—the maintenance of a large stock of wearing apparel and house furnishings, all under one roof. This is one of the strongest arguments we hold out to the purchasing public why they should buy their goods at MIMNAUGH'S Prices always right. Our business is economically managed and we use great care and judgment in selecting merchandise to supply the wants of our customers. Come and see us and make our store your headquarters.
