## The Lexington Dispatch.

Wednesday, November 20, 1907.

### Broad River Dots.

Mr. James Wessinger made a flying trip to Jalapa last week.

Mr. John B. Bendenbaugh, one of Prosperity's well-to-do farmers, stopped over in Peak last Thursday en route for Spartanburg, where he went to attend synod.

La grippe is taking its rounds. It has had your scribe in her clutches for the past week, but she has recuperated with breath to tell the tale.

We notice in the last week's Dispatch that your Peak correspondent in mentioning those who attended court fall to mention Mr. Mc D. Bushard's name, who also attended court. It must have been done unintentionally for he is certainly big enough to be seen.

Mr. Dan Hughey, a popular conductor on the Southern road, spent a part of last week in Peak visiting relatives.

Well, we hope to meet the editor in Peak on the 27th and give him a hardy hand shake and put something in his hands that will help turn the wheels to the dear old Lexington Dispatch. Nov. 11, 1907. Liza Jane.

### He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses. Great alternative and body builder; best of all for lame back and weak kidneys. Guaranteed by Kaufmann Drug Co., and Derrick's Drug Store, druggists, 50c.

### Criminal Statistics.

During the year there has been three criminal courts held here, each a full week, and no longer for the reason that only one week is allowed us.

The gamblers stand at the head of the list with convictions in seventeen cases, and no acquittals. Assault and battery with intent to kill is next, with six convictions and acquittals. There were three cases for carrying pistols and all convicted; one conviction for violation dispensary law; one forgery and one for housebreaking and larceny.

It has been said that if you killed a dog in Lexington county, you would be convicted, but this court reversed the matter in the case of R. L. Shepard, who was acquitted under the Judge's direction, because the dog was not assessed for taxes.

Five murder cases were tried during the year, J. Godfrey Taylor, Christian Hutto and Robert Marks, white; and Paul Rowe and Fred Sumner, colored, all of whom were acquitted.

### Died in Alabama.

Jas. M. McMaster, son of the late Col. F. W. McMaster of Columbia, died at his home in Brocton, Ala., on Sunday. He went to Birmingham several years ago and began the practice of law, in which profession he was eminently successful. Mr. McMaster was 49 years of age and unmarried. His remains were brought to Columbia for burial.

### If the Baby is Cutting Teeth.

Be sure and use that old and well tried remedy, Mrs. Winslow's Soothing Syrup, for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Twenty five cents a bottle. Guaranteed under the Food and Drug act, June 30, 1906. Serial number 1908.

### The Devil.

The Devil in a printing office is quite an appropriate name, for by him many mistakes are made, which even escapes the eye of the hurried proof reader. These mistakes almost make us "cuss" after they have appeared in the paper, but after all, we remember those who never make mistakes are dead.

Mrs. Mary F. Myers of Greenville has entered suit against the Southern road for \$40,000 for the death of her husband, Claude E. Myers, who was crushed between two cars while brakeman in Greenville the 21st of last August.

J. P. Draffin, a conductor on the Columbia street railway, was cut in the back with a knife by a negro on Monday night because he ordered the negro to come inside the car and get out of the way of passengers getting on and off.

It is claimed indigestion is the National disease. That's why the demand for Kings Dyspepsia Tablets keeps increasing because they do the work. Stomach trouble, dyspepsia, indigestion, bloating, etc., yield quickly. Two days treatment, free. Ask your druggist about them. Sold by Kaufmann Drug Co.

William Roseman, whom the immigration officials call "the nerviest stowaway that ever arrived in New York," arrived in the first cabin of the Minnetonka.

T. N. Palmer, said to be from Augusta, Ga., a dental student in an Atlanta dental college, committed suicide in a hotel on Tuesday morning. Liquor was the cause.

George Ewell, of Deer Lodge, Tenn., killed himself in a cab on the streets of Washington, D. C. He had just been discharged as a patient at Johns Hopkins hospital in Baltimore.

It is a well known fact that persons living in the pine forests do not suffer from kidney diseases. One dose of Pineules at night usually relieves backache. 30 days' treatment \$1.00. Your money refunded if not satisfied. Sold by The Kaufmann Drug Co.

## Headache Every Month

You may think, because you have long had it, that you must have a headache every month, being a woman.

But if you think so, you are wrong, since a headache is a sign of disease of your womanly organs, that thousands of other women have been able to relieve or cure, by the use of that wonderful, woman's medicine,

## WINE OF CARDUI WOMAN'S RELIEF

"I recommend Cardui to all sick women," writes Mrs. A. C. Beaver of Union, Tenn. "I suffered with headache, bearing-down pains, feet swollen, pains in shoulders and many others. At last I took Cardui, have gained 20 pounds and have found it the best medicine I ever used for female troubles."
