Our Virginia Letter.

To the Editor of The Dispatch:
It was with deep sorrow that our family received the sad news of Mr. Grover Eleazer's death. We sorely realize that such a stalwart, manly form now lies beneath the sod. If sympathy dulls the edge of grief, I'm sure the dear family upon which this falls knows its worth.
"E'en though it be a cross
That raiseth me;
Still all my soul shall be,
Nearer my God to Thee!"

We are snow-bound. Some of the snow now on the ground has been with us four weeks, and a fresh supply is now coming down. Some roads are impassable and have been so for a month. About ten inches has fallen in the last 24 hours, and it is still coming. With a good warm fire, my study is a very attractive place, and I am sticking close to it. I find plenty to do here, too. Most people would be surprised to find how many things one is called upon to do. For instance this week, besides preparing for three services, teaching a Theological student each day, and do general reading, besides pastoral work, I have prepared and delivered a lecture at our graded school, and helped on three debates. One question was, "Resolved, That the yellow man will in time drive the white man out of Asia. I told the boy I didn't wonder that he wanted help, and if the society would send me over, I would report when I got back.

Mrs. B. is quite busy. Her music class is growing. She has a fine set of young folks, who are unusually devoted to her. This, I find, helps our church work very much. We try to make the parsonage the home of all, and the young folks especially. And we find them mighty substantial friends in church work.

Our family has been remarkably free from colds. Rev. H. P. Counts is now laid up with Grippe. My student is to preach for him to-morrow. He has a kind people, and his work is moving on nicely.

I have been to Salem, my tramping ground during my college days, twice since Christmas. My visits were in connection with founding or enlarging a college for girls. To meet with friends of former days was very pleasant. S. C. B.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery; and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1.00 at Kaufmann Drug Co. and Derrick's Drug Store. Trial bottle free.

Eloping Up To Date.

The coatless man puts a careless arm 'Round the leg of the hatless girl, While over the dustless, mudless roads In a horseless wagon they whirl. Like a leadless bullet from a hammerless gun,

By smokeless powder driven. They fly to taste the speechless joys By endless union given.

The only luncheon his coinless purse Affords to hem the means Is a tasteless meal of boneless cod, With a dish of stringless beans. He smokes his old tobaccoless pipe, And laugh a mirthless laugh When pap tries to coax her back By wireless telegraph.

Reason Enthroned.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. For sale at Kaufmann Drug Co's., drug store. Samples free.

Wronged Wife Not Guilty.

Mrs. Annie Maithe, who shot and killed Mrs. Sallie Brown at the latter's home in Baltimore in November last on the ground that Mrs. Brown had taken her husband from her, was acquitted on Friday. The state's attorney had asked for a verdict of manslaughter with a recommendation of mercy, but the jury promptly gave a verdict of not guilty.

It was brought out that the wife followed her husband to Mrs. Brown's house and saw them together through the window. She then got the pistol and returned and shot the woman.

Everything taken into the stomach should be digested fully within a certain time. When you feel that your stomach is not in good order, that the food you have eaten is not being digested, take a good, natural digestant that will do the work the digestive juices are not doing. The best remedy known today for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat, it is pleasant to take and is sold by Kaufmann Drug Co

White Man Lynched in State of Florida.

Gainesville, Fla., Feb. 6.—Jack Long, a white man, was lynched near Newberry, a milling town near here, today. Long was accused of the murder of Elias Sapp, a prominent farmer, and was taken from the town jail by a crowd of 200 men, carried to the scene of the crime and there hanged to a tree.

Excitement in Newberry is at fever heat and citizens of the town are armed. It is feared that there may be further trouble and it is said that another lynching is threatened.

According to the police, Long's brother was killed by one of the Sapp family, who has never been captured. This is believed to have given rise to the trouble, which culminated today in Long's death.

At times when you don't feel just right, when you have a bad stomach, take something right away that will assist digestion; not something that will stimulate for a time but something that will positively do the very work that the stomach performs under ordinary normal conditions, something that will make the food digest. To do this you must take a natural digestant like Kodol For Dyspepsia. Kodol is a scientific preparation of vegetable acids with natural digestants and contains the same juices found in a healthy stomach. Each dose will digest more than 3,000 grains of good food. It is sure to afford prompt relief; it digests what you eat and is pleasant to take. Sold by the Kaufmann Drug Co.

The Farmer.

Let us never forget that cultivation of the earth is the most important labor of man. Man may be civilized in some degree without progress in manufactures and with little commerce with his distant neighbors, but without the cultivation of the earth he is, in all countries, a savage. Until he gives up the chase and fixes himself in some place and seeks a living from the earth he is a roaming barbarian. When tillage begins other arts follow. The farmers are the founders of civilization.—Daniel Webster.

Neighborhood Favorite.

Mrs. E. D. Charles, of Harbor, Maine, speaking of Electric Bitters, says: "It is a neighborhood favorite here with us." It deserves to be a favorite everywhere. It gives quick relief in dyspepsia, liver complaint, kidney derangement, malnutrition, nervousness, weakness and general debility. Its action on the blood, as a thorough purifier makes it especially useful as a spring medicine. This grand alternative tonic is sold under guarantee at the Kaufmann Drug Co., and Derrick's Drug Store. 50c.

Plunges to Death.

H. B. Bigham, assistant industrial agent of the Seaboard Air Line railroad, was found near Method, N. C., Tuesday. It is believed he fell out of a sleeper car window of a Seaboard train, which runs parallel with the Southern at that point.

Night Riders Whip Farmer.

Hopkinsville, Ky., Feb. 6.—A small body of "night riders" operated last night in west Christian county. Telephone-wires were cut in several places to prevent an alarm being given.

Lucien Means, a farmer, is reported to have been whipped for selling tobacco outside of the association.

Suffering & Dollars Saved.

E. S. Loper, of Marilla, N. Y., says: "I am a carpenter and have had many severe cuts healed by Bucklen's Arnica Salve. It has saved me suffering and dollars. It is by far the best healing salve I have ever found." Heals burns, sores, ulcers, fever sores, eczema and piles. 25c at Kaufmann Drug Co., and Derrick's Drug Store.

RHEUMATIC FOLKS!

Are You Sure Your Kidneys Are Well?

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents." You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.

Rupert B. Calvo, bookbinder, employed at The State Publishing Co., official printers for the State of South Carolina, living at 1010 Lumber St., Columbia, S. C., says: "I thought I had rheumatism and treated for it on that belief. I used all kinds of liniments. The pain was in my back and in my hips clear to the shoulders. The liniments did no good and I took to blood medicines but they did not help me. I took a long trip in hopes that the change of climate might help me. I was away three months but could see no change for the better. I heard of Doan's Kidney Pills and determined to try them, and got a box at a drug store. They completely removed the pains out of my back and I have not felt a touch of the old trouble since I used them." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for United States. Remember the name—Doan's—and take no other.
