

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Old War Claims May Yet Be Paid.

About \$10,000,000 may be secured from the government by people of the South if a bill reported unanimously by the house committee on war claims becomes a law. The bill gives to the court of claims jurisdiction of the claims for captured and abandoned property which was sold during the Civil war and the proceeds turned into the United States treasury. During that war the government authorized the seizure of abandoned property, to be sold and the net proceeds placed in the United States treasury. There was a provision that if any one should bring suit within two years after the close of the war and prove that the property sold belonged to him the money received for it should be paid over, but to do this the citizen bringing the suit had to prove loyalty to the Union. This disqualified most Southerners until the amnesty proclamation was declared in 1866, which came too late to take the claims to court, the two years' grace having expired. The object of this bill is to enable the original owners of the confiscated property to get the money it brought when sold.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. Cheney & Co., Toledo, Ohio. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

What Can Beat This?
 The Journal of Monroe, N. C., says it is "glad to print the record of another successful lady who knows how to run her part of the farm profitably: From the 1st of December, 1906, until January 1st, 1908, Mrs. Sam A. Hood of Sandy Ridge township sold produce as follows: Turkeys, \$32.75; Chickens and eggs, \$13.00; butter \$24.00; fruit \$5.00; kraut, \$5.00; chrysanthemums \$3.00; total \$231.75. Mrs. Hood lives 17 miles from market. Who can beat it? What say our ladies to this challenge?—Exchange.

Special Announcement Regarding the National Pure Food and Drug Law!
 We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Derrick's Drug Store.

A Bloody Lynching.
 The bloody result of an attempt at lynching near Valdosta, Ga., last week, if often repeated, will stop the practice. Jack Long, a white man whose brother had been killed by James Sapp's son, met Sapp and killed him on the public road. Sapp was a wealthy man, and fifty of his friends went to the jail to take Jack Long out and lynch him. As a result, Long killed four, seriously injured ten and would have cleaned up the entire lynching party had those left not shot him to death. It was the bloodiest lynching on record.

Lynched in Mississippi.
 Eli Pogit, the negro who criminally assaulted Miss Williams, a pretty young white woman, near Brookhaven, Miss., several days ago, was taken from the custody of a military company and a posse of deputies and hanged to a telephone pole within a hundred yards of the court house. The lynchers numbered more than one thousand. In the melee that followed two of the mob were shot.

Ask Yourself the Question.
 Why not use Chamberlain's Pain Balm when you have rheumatism? We feel sure that the result will be prompt and satisfactory. One application relieves the pain, and many have been permanently cured by its use. 25 and 50 cent sizes. For sale by Kaufmann Drug Co.
 It is said in Washington that the Government will send out six battle-ships and two armored cruisers to join the fleet of Admiral Evans when he is ready to leave the Philippines for Suez.
 Three members of the ice trust of Toledo were sent to prison for six months after appeals to higher courts were exhausted.

An Appeal to General Assembly

Gentlemen of this noble body,
 You have met to legislate,
 To enact and to repeal laws
 For the uplift of our State.
 'Mid the stress of other duties,
 Don't neglect the demon—drink,
 Man your guns and give him battle;
 Duty calls you—dare not shrink.

He who votes for liquor license
 Cringes low at Mammon's heels,
 But "the jingle of the guinea"
 Helps the hurt that honor feels."
 He who votes for liquor license
 Cares not for the orphan's tear,
 Nor the bitter grief of mothers,
 As they bend above the bier.

Of their bruised, disfigured loved ones
 Killed in licensed liquor dens;
 Murdered by the devil's agents—
 Poor enslaved, besotted men.
 He who votes for liquor license
 Votes for tragedy and woe,
 Sanctions every evil passion
 That the human heart can know.

He who votes for liquor license,
 In his sordid lust for gold,
 Votes to lose all hope of heaven
 And to curse his brother's soul.
 Brothers, give us prohibition,
 Put an end to whiskey's reign,
 Then our mouths are filled with laughter,
 And our tongues shall sing again.

Will you do as some have told us,
 Laugh our prayers and hopes to scorn
 Saying, "They are women's notions,
 And of foolish fancy born."
 No! my soul resents the outrage;
 You can ne'er put us to shame;
 Dixie's sons and chivalry
 Were and ever are the same.

May you prove a very stone-wall,
 Firm, unshaked, true as he;
 Dare to heed the call of duty
 Like the south's own chieftain, Lee.
 When the sword of prohibition
 Puts to flight the "whiskey ring,"
 Then from dreams we'll wake with laughter,
 And the captives' tongue shall sing!
 —S. C. H. in Newberry Observer.

For that Terrible Itching.
 Eczema, tetter and salt rheum keep their victims in perpetual torment. The application of Chamberlain's Salve will instantly allay this itching, and many cases have been cured by its use. For sale by Kaufmann Drug Co.
Ats Poisoned Candy Sent to Her Sister.
 Kansas City, Mo., Feb. 13.—Ruth Miller, the four-year-old daughter of Charles Miller, of Kansas City, Mo., is dead after eating cheap bonbons sent through the mail to Ella Miller, an older sister.
 The following inscription was on the candy box: Sweets to Ella Miller, from girls of the S. and S." The candy is believed to have contained strychnine.
 Ruth died ten minutes after the eating of the bonbons. Four other children suffered temporary distress.
 There is no clue to the sender of the poisoned candy.

Head Almost Severed Woman Found Dead.
 Janesville, Wis., Feb. 13.—With her head almost severed from her body by the slash of a razor, Mrs. Martha Anderson was found dead in her rooms on North River street early today. She is the third woman to die a violent death in Janesville within two months.

Shoe Manufacturer Killed Himself With Pistol.
 At Lynchburg, Va., John Kinckle, aged thirty-three, a prominent society man and secretary and treasurer of the F. Kinckle Shoe Company, shot himself three times in the right temple last week with suicidal intent. He is not expected to recover. No cause for the rash act is known.
Division of Labor.
 In this or any other lapd
 A curious fact you'll note;
 A few men do the thinking, and
 The others merely vote!
 —Washington Star.
 Foley's Honey and Tar cures the most obstinate coughs and expels the cold from the system as it is mildly laxative. It is guaranteed. The genuine is in the yellow package. Derrick's Drug Store.

Eighty-five Operations.
 At Peoria, Ill., Mrs. Martha Ann Davis, aged 60 years, died a few days ago after an illness of dropsy. During this time Mrs. Davis had been operated on 85 times, and 2,000 pounds of water drawn off at different operations. Physicians declare the case to be one of the most singular of its kind in medical history.

 and solid muscle. Elegantly sugar coated.
Take No Substitute.

Farm and Fireside.
 Let each farmer resolve that he will do several things better this year than ever before. Onward and upward should be the motto of every one.
 Get the best implements. A ten dollar smoothing harrow will pay for itself in harrowing fifteen acres of small grain.
 Put in a few hours of these wet days in making a strong 2-horse log drag for running over cloydy lands and smoothing the ground after sowing peas.
 Let the farmer who made a bale of cotton to the acre last year try for two bales this year.
 Always aim high in crop expectations. You may not reach the high mark, but you will do better than when you aim low.
 The progressive farmer will have special lots for improving his corn and cotton seed. The slouchy one will plant any thing that comes handy.
 After making and repairing terraces and sowing oats the next work will be preparing corn land. Are you ready for the job?

Keeping Open House.
 Everybody is welcome when we feel good; and feel that way only when our digestive organs are working properly. Dr. King's New Life Pills regulate the action of stomach, liver and bowels so one can't help feeling good when he uses these pills. 25c at Kaufmann Drug Co. and Derrick's Drug Store.
Cut His Throat.
 Chicago, Feb. 13.—Robert J. Ault, a manufacturer's agent, and believed to be a member of a wealthy Cincinnati family, stabbed himself with a pocket-knife in an attempt to commit suicide in a Turkish bath this morning at 133 Clark street. The wounded man was hurried to the county hospital, where attendants said he would probably die.

No need to fear coughs and colds this year as you can obtain Bees Laxative Cough Syrup now from your dealer. This is good news to mothers who fear croup and whooping cough. It is a gentle laxative that expels the poison from the system in the natural way. Cuts the phlegm and clears the head. Guaranteed. Sold by Kaufmann Drug Co.
"Big Tom" Wilson, the famous bear hunter of North Carolina and the finder of the body of Professor Elisha Mitchell, scientist and explorer, died at his home in Yancy county February 1. He claimed that he had killed more than 200 bears. He guided many hunting parties.
 It is a good thing to lay up dollars for hard times and old age; it is far better to make large investments in the hearts and affections of neighbors and friends, who will bring such comfort and blessedness in the time of need as no amount of money can furnish.

The trouble with most cough remedies is that they constipate. Kennedy's Laxative Cough Syrup acts gently but promptly on the bowels and at the same time it stops the cough by soothing the throat and lung irritation. Children like it. Sold by Kaufmann Drug Co.
More Prohibition.
 Jackson, Miss., Feb. 13.—The senate today passed the statutory prohibition bill by a vote of 36 to 4. The bill is effective December 31.
Rational Pneumonia Treatment.
 The most successful physicians are now treating pneumonia by the application of counter-irritants. They are learning to resist the temptation to doctor the cough, which, after all, is only nature's effort to relieve herself, and are endeavoring to reach the seat of the congestion without the use of internal remedies.
 Some are using preparations about as pleasant to the patient as an application of mud or putty, but the wisest use a pleasant liquid counter-irritant.
 The ideal remedy is Noah's Liniment. Its carefully compounded ingredients possess wonderful powers of penetration and immediately reduce the inflammation and congestion.
 Noah's Liniment is absolutely harmless, and can be used freely without consultation with a physician. Apply the liniment freely over the point of pain or congestion. Saturate a hot flannel and keep it applied to that portion of the body. The effect will be almost immediate, and in many cases the threatened pneumonia will be dispelled before a physician can be secured.
 Best for rheumatism, sciatica, lame back, stiff joints and muscles, sore throat, colds, strains, sprains, cuts, bruises, colic, cramps, etc. For internal and external aches and pains Noah's Liniment has no equal. For sale and guaranteed by your druggist 25c. Sample for the asking. Noah Remedy Co., Richmond and Boston.
