The Pension Board will meet on Monday, the 9th day of March, to finish up the business of the Board for the present year. S. M. ROOF, Chairman.

Fine Lettuce.

We beg to return our sincere thanks to Mrs. J. J. Schwartz for several heads of delicious lettuce of her own raising. Mrs. Schwartz is one of the earliest gardeners in this section and she never forgets her friends.

Card of Thanks.

To the Editor of The Dispatch: Please allow me space in your paper to thank those friends who were so kind during the sickness of my family and myself. Dear friends, your kindness will never be forgotten, and may heaven's richest blessings ever be yours. W. A. BARMAN.

At the Columbia Theatre.

On Monday evening March 9, Lew Dockstader's famous minstrels will appear at the Columbia theatre. Dockstader is a comedian of exceptional originality and artistic methods, and is in a class by himself in his special field of minstrelsy. Lexington will, as usual, be well represented at this famous show.

A Successful Egg Hunt.

Miss Jennie Kyzer is indeed a successful egg hunter. On Monday while gathering up the eggs at the residence of Mrs. Roof, Miss Kyzer found a hen's nest with just three dozen and four eggs in it, which surpasses anything we have heard of in the egg line. Evidently Mrs. Roof's hens are anticipating a heavy demand on them along about Easter.

Mr. Hartley Here.

Mr. O. H. Hartley, the genial postmaster and popular merchant of Gaston, was in town Monday. Mr. Hartley installed several gas lamps while here. He sells the "Best" Light Co's. lights, and indeed they are best. Read his advertisement elsewhere and send your orders for these lamps to Mr. Hartley at Gaston. He was accompanied here by his friend, Mr. W. G. Spires.

Solicitor Timmerman.

Solicitor George Ball Timmerman is a popular prosecuting officer. In reviewing his work in the Fifth circuit, The Columbia State, under Sunday's date, says:

"Solicitor Timmerman's last work in this circuit was his best and he leaves the criminal docket in much better condition than it was a few months ago. The court officials and members of the bar bade him a reluctant good-bye yesterday, and the best wishes of his many friends in Columbia follow him in his work in the new adjoining circuit."

Kodol is today the best known and most reliable remedy for all disorders of the stomach, such as dyspepsia, heart burn, sour stomach and belching of gas. Kodol contains the same juices found in a healthy stomach. Kodol is pleasant to take. It is guaranteed to give relief and is sold here by The Kaufmann Drug Co.

Bishop Duncan Dead.

Bishop W. W. Duncan, of the Methodist church, died in Spartanburg on Monday after an illness of several weeks. Bishop Duncan was one of the most widely known and beloved ministers in the South, and his death has caused genuine sorrow wherever he was known.

Mr. John Riha, of Vining, Ia. says "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by The Kaufmann Drug Co.

2-1-2 Cent Rate.

The Southern railway has announced that on April 1st they will put on a flat passenger rate of 2 1/2 cents per mile on all lines operated in this State.

Delmar Locals.

On account of the continued wet and cold weather the grain crops are very late.

The farmers are taking advantage of this nice weather and are making preparations for another crop.

A number of people in this section are suffering with colds and grippe.

Mr. A. B. Caughman, of Newberry, spent a couple days with his parents, Mr. and Mrs. J. C. Caughman, last week.

Mrs. A. V. Hite and little daughters Maude and Eloise, visited at Mr. D. W. Hite's yesterday.

Miss Ola Hutchinson, of Newberry, is visiting her sister, Mrs. J. L. Snelgrove.

Messrs. T. C. and S. M. Moore made a business trip to Saluda last Thursday.

Profs. Monts and Kibler spent Friday to Sunday with their parents in Newberry county.

News was received here yesterday of the sudden death of Mrs. Emanuel Price, of the Priceville section. Mrs. Price was a daughter of Mr. S. S. Nichols, of near here.

After being confined to her bed for three months and suffering untold pain, Mrs. Epy Hare died at the home of her daughter, Mrs. A. L. Eargle, at 7:50 o'clock on Monday evening, Feb. 24th.

Mrs. Hare was in her 89th year and leaves two sons, Messrs. D. T. and J. W. Hare, and one daughter, Mrs. A. L. Eargle, with a number of grand and great-grand-children besides a host of other relatives and friends to mourn her death.

The Greatest Possible Cotton Crop

of the best possible quality, is the aim of every enterprising cotton planter. And "it is as easy as rolling down hill" if you only use enough

Virginia-Carolina Fertilizers

Is there any reason why you cannot do just as well as Mr. James M. Swint, of Chipley, Ga., who used 600 lbs. per acre of Virginia-Carolina Fertilizers on his cotton crop? He gathered one and a half bales of cotton per acre, and there were more bolls yet to open.

This is the experience of hundreds of other cotton planters. Careful preparation of your soil, and liberal use of high grade Virginia-Carolina Fertilizers will surely "increase your yields per acre." Numerous unprejudiced authorities tell how it is done in the new Virginia-Carolina Farmers' Year Book or Almanac, a copy of which may be secured from your fertilizer dealer, or from our nearest sales-office.

An interesting picture of Mr. Swint's cotton will be found in this Year Book.
