Social a Success.

The social given by the Ladies' Aid Society of the Baptist church at the home of Mr. W. A. Harman on Saturday evening was quite a success. A large crowd attended and everything found a ready sale. The cake was won by Mr. Louis Sox and Miss Estelle Harman. The society extends its thanks to all who helped to make it a success.

Congressman Lever.

Congressman Lever's friends have been greatly alarmed lately by reports from Washington stating that he was confined to his bed with a severe attack of grip. The latest dispatches, however, are to the effect that he has sufficiently recovered to again be in the house, although he narrowly escaped having pneumonia.

Lamps! Lamps!! Lamps!!!

If you need a lamp now or ever expect to need one, you should not fail to see the large line now going at reduced prices at Harman's Bazaar. No trouble to make a selection from this stock, as every kind and price are represented in this lot.

Easter Services.

Delightful Easter services were held in St. Stephen's Lutheran church Sunday morning, at which time seven accessions were added to the membership of the church. The church was beautifully decorated with potted plants which added greatly to the attractiveness of the occasion. In the evening the pastor, Rev. W. H. Hiller, delivered an eloquent and able discourse to the new members. Large congregations were present at both services.

Governor Heyward.

Ex-Governor Heyward spent last Saturday in Lexington in the interest of his candidacy for the United States Senate. Gov. Heyward is highly elated over the many assurances of support which he is receiving from all sections of the state and is satisfied with his chances of election so far. The ex-governor has hundreds of friends in this county who will doubtless stand by him on election day.

AFTER 33 YEARS experience millions of users of L. & M. PAINTS claim—First, it wears 10 to 15 years—Second, it only costs \$1.20 a gallon—Third, its the best they have ever used—Fourth, sixteen thousand agents certify to these facts.
E. P. Derrick, Lexington, S. C.

An Expert Gardener.

Mr. C. S. Bradford is an expert gardener. He sowed beets last November and they are now knee high and of average size. They are not tough, either, as one might imagine, being as nice and tender as those planted in early spring. Mr. Bradford has some of the finest onions we have ever seen, and his other vegetables are equally as fine. Taking his garden as a whole, we venture the assertion that it is the best in the county.
