The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Kaufmann Drug Co.

Going Some.

An Englishman, an Irishman and a Scotchman were one day arguing as to which of the three countries possessed the fastest trains. Said the Englishman, "Well, I've been in one of our trains and the telegraph poles have been like a hedge."
"I've seen the milestones appear like tombstones," said the Scot.
"Be jabbers," said Pat, "I was one day in a train in my country and we passed a field of carrots, a field of turnips, a field of parsley, one of onions and then a pond of water, and we were going so fast that I thought it was broth!"

Tired nerves, with that "no ambition" feeling that is commonly felt in spring or early summer, can be easily and quickly altered or taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the Kidneys are inactive, and even the Heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor, and ambition. Try it and be convinced. Sold by Kaufmann Drug Co.

She asked him if he was the photographer. He said he was.
She asked him if he took children's pictures. He said he did.
She asked him how much he charged. He said, "Four dollars a dozen."
"Then I'll have to go somewhere else," she replied. "I only have 11." Success Magazine.

Banks Refuse to Pay Interest.

The banks with the exception of the Greenville banks, in which the dispensary funds are deposited have signed an agreement to pay no interest on the money since Judge Pritchard's restraining order. It is thought, however, that they will have to pay the interest.

Bad Attack of Dysentery Cured.

"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wolcott, Vt. For sale by Kaufmann Drug Co.

The trouble with most cough cures is that they constipate. Kennedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by Kaufmann Drug Co.

Riddick & Byrnes, who have been running the Charleston and Anny hotels in Charleston for some years, have met with financial failure. Last week the houses on both houses were cancelled by the owners, because Riddick & Byrnes had not paid their rent. The Charleston hotel was a multi-story and will be owned by the company owning it.

There is a Pink Pain Tablet made by Dr. Shoop, that will positively stop any pain, anywhere, in 20 minutes.
