Lever, The Wide-a-Wake Congressman.

The Washington correspondent of the Charleston News and Courier has the following to say anent our beloved young congressman:

"Mr. Lever, the wide-awake Congressman from the 7th district, was busy in everything that was going on. Soon after the session began he started the ball rolling for the passage of the Appalachian reserve bill, and never faltered until it was found that he could not succeed this year. In addition to this Mr. Lever, as a member of the House committee on agriculture, devoted several months of the session to the work of that committee and the results of such work are already well known. It was also due to Mr. Lever that Secretary Wilson and Congressman Scott recently visited Sumter, and the result of that visit is sure to work to South Carolina's good in the end.

During the time the agricultural appropriation bill was under discussion in the lower house Mr. Lever made several able speeches, and was warmly praised not only by his Democratic colleagues, but many Republican members also.

In the fight for public building at Columbia, Sumter and Orangeburg, all of which are in Mr. Lever's district, he was entirely successful. Orangeburg got \$50,000, Sumter \$20,000 over previous authorizations, and it is probable that a thorough investigation of the needs of the Columbia office will be made before the next session of congress."

Mistrial in Sellers Case.

The jury in the case of Wade Hampton Sellers, the "Blind Tiger King," on trial for several days in Columbia for the murder of Constable Farmer, was unable to agree and a mistrial was ordered on Wednesday. Sellers was released on \$5,000 bail. It is said the jury stood eight for acquittal and four for manslaughter.

No Need of Suffering From Rheumatism.

It is a mistake to allow rheumatism to become chronic, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Pain Balm. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. 25 and 50 cent sizes for sale by Kaufmann Drug Co.

William Jackson and Will Murphy, two Darlington negroes, got into a shooting scrape last Wednesday. Murphy was seriously wounded.

Big cuts or little cuts, small scratches or bruises or big ones are healed quickly by DeWitt's Witch Hazel Salve. It is especially good for piles. Be sure to get DeWitt's. Sold by Kaufmann Drug Co.

There is some talk that the South Carolina Republican delegation will attempt to oust Capers by not reelecting him a committeeman.

HOUSE WORK

Thousands of American women in our homes are daily sacrificing their lives to duty.

In order to keep the home neat and pretty, the children well dressed and tidy, women overdo. A female weakness or displacement is often brought on and they suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

comes as a boon and a blessing, as it did to Mrs. F. Ellsworth, of Mayville, N. Y., and to Mrs. W. P. Boyd, of Beaver Falls, Pa., who say: "I was not able to do my own work, owing to the female trouble from which I suffered. Lydia E. Pinkham's Vegetable Compound helped me wonderfully, and I am so well that I can do as big a day's work as I ever did. I wish every sick woman would try it."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

She stands upon the rostrum there, Her essay in her hand, And looking from her learned heights, She cannot understand Why women cannot serious views Take of the higher life, And see a nobler fate there is, Than courted as a wife.

But, ah, but few short weeks elapse And what, then, do we see? This same maid, in her fluffly gowns, A belle down by the sea. And as the men will press about, Each eager for her hand, We'll see that maid of high ideals Just flirt to beat the band! —Baltimore American.
