## The Lexington Dispatch.

Wednesday, July 22, 1908.

### In The Mill Village.

To the Editor of The Dispatch:  
Fram on that pile of brush again and see if there is any more of the dear boys that want office. You can just put it down that some of the boys are going to be left, for we can't vote for them all.

Nice rains, fine peaches and plenty of melons.

The cat fish are biting, too, says Barney Floyd and Sim McCarty. Barney and Sim are two great fishermen.

Mrs. Sim McCarty and children are visiting relatives in the Hollow Creek section.

Have you heard the boys with their band? They play fine for the short time they have been practicing.

They say that Mr. Redd gave a fine cue on the Fourth, but this chap didn't get a pinch.

Mrs. J. M. Clemmens is at the bedside of her mother, who is critically ill at her home in Batesburg.

Rev. J. A. Cromer has been furnishing this end of town with sweet and delicious canteloupes. S.

### Quick Relief for Asthma Sufferers.

Foley's Honey and Tar affords immediate relief to asthma sufferers in the worst stages and if taken in time will effect a cure. Derrick's Drug Store.

### Has Not Acted.

The board appointed by the governor to divide the debts between Calhoun, Orangeburg and Lexington counties has not acted yet, although they were appointed months ago. The Calhoun members of this board have used every effort in their power to have the board act. The chairman, Mr. John S. Verner, of Columbia, is the only member who can call a meeting. He wrote the Calhoun members a few days ago that he hoped to be able to hold the meeting for the division in August. The Calhoun county officials will perform their duties at a great disadvantage until this division is made.—Calhoun Advance.

### Negro Buried Alive.

The negroes of Columbus, Ga., are very much excited over the burying alive of a negro named Jackson, who had been thrown into a trance by a hypnotist who guaranteed he would sleep a week. The hypnotist had paid \$100 to the wife of the negro. The negro is still buried.

### It Can't Be Beat.

The best of all teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best too for chills and malaria. Sold under guarantee at Derrick's Drug Store and Kaufmann Drug Co. 50c.

Some one says the world is trembling. Will Mr. Taft kindly refrain from running around for a while?—Washington Herald.

It isn't so much what a young girl does that fascinates a man; it's what she won't do.

Every home with children should have a box of Dr. Thornton's Easy-Teether in it. A guaranteed remedy for all bowel and stomach trouble in teething children. For sale by Derrick Drug Co.; or Easy-Teether Medicine Co., Hartwell, Ga.

Two negroes in Lancaster got into a row about a cow and one shot the other in the stomach with a shot gun. The wounded negro will die.

The tobacco season opened in Manning last week under favorable prospects.

## For Female Ills

You should take, for female ill, a medicine which acts on the female organs and functions.

Cardui is not a man's medicine. It is for women. Its pure, healing, curative, vegetable ingredients, go direct to the womanly organs, relieve their pain and inflammation, and build up their strength.

"Tongue cannot tell," writes Miss Nola Smith, of Sweetser, Ind., "what

WOMAN'S RELIEF

has done for me. I am on my third bottle and am so much better. Before I began to take Cardui, I could not do a day's work. Now I can work all day. Mother took four bottles of Cardui before confinement, got along fine and has been real strong ever since."

WRITE FOR FREE ADVICE, stating age and describing symptoms, to Ladies Advisory Dept., The Chattanooga Medicine Co., Chattanooga, Tenn. E 40

After suffering for seven years, this woman was restored to health by Lydia E. Pinkham's Vegetable Compound. Read her letter.

Mrs. Sallie French, of Paucanla, Ind. Ter., writes to Mrs. Pinkham: "I had female troubles for seven years—was all run-down, and so nervous I could not do anything. The doctors treated me for different troubles but did me no good. While in this condition I wrote to Mrs. Pinkham for advice and took Lydia E. Pinkham's Vegetable Compound, and I am now strong and well."

### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ill, and has positively cured thousands of women who have been troubled with displacements, in inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

### Around Shumpert's.

To the Editor of The Dispatch:  
Crops are fine in this section.

Some of the farmers are through laying by, while others are still in the grass.

Wrs. W. H. Keisler has been quite ill for the past several weeks.

We noticed a few weeks ago in The Dispatch that it was against the law to kill fox and some of our people are at a loss to know what to do. The fox' are so bad in this section that they actually catch turkies in the day time. E. E.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. Sold by Kaufmann Drug Co.

### Mail Pouch Deliveries.

Mr. W. M. Rawl, of Columbia, has patented a railway mail pouch deliverer, a device designed for use as a railway mail car to deliver mail pouches on the side of the track from rapidly moving trains. Everybody is familiar with the device for taking on pouches to moving trains, but a deliverer has never been in use.

Mr. Rawl's apparatus is a chute to the floor of the car leading out to the side of the track. The patent lawyers through whom he secured the patent appraise the new device at \$25,000 to \$40,000.

The state board of equalization was in session in Columbia on Wednesday to hear protests from the mills. Few changes were made in the assessments from those of last year.
