Miss Corley Re-elected.

The trustees of the Irene school have secured for next session the valuable services of Miss Sue H. Corley, who taught most successfully for them last term.

Blacksmiths.

Blacksmiths and wheelwrights are reminded that T. B. Aughtry & Co., Columbia, always carry a large stock of buggy and wagon material which they always sell at the lowest prices. Write them for your wants.

Registration Board Busy.

If the board of registration is kept as busy as they have been the past few days, it will not be long before every man in the county will have a new certificate, and it will be of little use for them to visit the different precincts in the county during the month of September.

Hauling Peaches.

We have never seen the like of wagons hauling fruit to Columbia. They come and go at all times during the day and night and it is surprising to see just how much fruit, produce, etc., is marketed in Columbia.

Notice to Candidates.

All candidates are notified that assessments must be paid and pledges filed with the secretary F. H. Hendrix, Leesville, by noon of the day previous to the opening of the campaign at Gaston on Tuesday, Aug. 4th.

Platt & Sons.

For all the latest designs in ladies dress goods, standard dry goods and notions, and a select line of shoes for ladies, gentlemen, and children, always go to see Wm. Platt & Son's, Columbia, S. C. You will find what you want and their prices are always

Withdraws From Race.

Mr. B. B. Hiller, formerly of this county but not a resident of Newberry, has withdrawn from the race for magistrate in townships 1 and 8 of Newberry county.

Managers of Election.

Each executive committeeman is requested to have the names of his managers at his precinct in the coming primary election, in the hands of Mr. F. H. Hendrix, secretary, Lees-ville, S. C., not later than August 1st. This is important and it is hoped that all executive committeemen will comply with the request at once.

Senatorial Campaign.

The candidates for the United States senate will speak here on next Tuesday, the 28th. It is hoped that the voters will turn out in large numbers to hear the candidates, all of whom are speakers of wide repute and it goes without saying that their speeches will be highly entertainging.

Let everybody come to Lexington next Tuesday.

Douglas Goes to Gang.

Deputy Sheriff Sim J. Miller carried Gus Douglas, the negro who was arrested last week for obtaining money under false pretences from Mr. H. Z. Adams, to Leesville Monday morning where he was tried before Magistrate Shealy. He was found guilty and sentenced to pay a fine of \$50 or serve a period of 60 days on the gang. Douglas took the days.

Rain Needed.

It is reported that crops in some sec-tions of the county are badly in need of rain and that much damage has already been done. In other sections however, rain has been plentiful and crop conditions were never better. Not only is this the case in this county, but the same conditions prevail throughout the State.

Killed Two Hawks.

Verner Bickley, the 13-years-old son of Mrs. Rebeca Bickley, of the Sell-wood section is a fine shot for one so young in years. One day last week this little fellow killed two hawks in less than fifteen minutes, both of which measured over three feet from tip to tip. . The hawks were brought down with a single-barreled breech-loader. The little man is receiving the congratulations of a large circle of friends.

Mothers don't give your baby anything that contains opiates or any other injurious drugs, but insist on having Dr. Thornton's "Easy-Teether", as it is the best medicine on the market for teething babies, and is absolutely harmless as it does not contain any opiates or injurious drugs of any kind. It is guaranteed under Pure Food and Drugs Act, Guaranty No. 11584. Price 35 cents. For sale by Derrick Drug Co.; or Easy-Teeth-er Medicine Co., Hartwell, Ga.

Lightning Kills Boy.

Macon, Ga., July 18.-An electric storm suddenly broke over Bullards, a bolt of lightning killed young Dan Harrel and fatally injured a negro, besides shocking many others. Young Harrell, with others, had assembled to play a game of base ball when the bolt fell among them without warning.

NEW ANNOUNCEMENTS.

For County Commissioner.

John W. Smith is hereby announced as a candidate for County Commissioner and will abide by the result of the Democratic primary.

The Board of Health.

The board of health has been acting wisely of late. They have had several of the old stagnated wells closed up and have been looking after the general sanitary conditions of the town. But there are more wells to be closed and other precautions to be taken and it is to be hoped that the board will continue the good work until every breeder of typhoid is forever stamped out. Let the good work continue, gentlemen.

The Barbecue at Addy's.

The barbecue at O. B. Addy's on Saturday was largely attended and quite a number of the candidates were present. Among those who spoke were the candidates for the State Senate—Messrs. Sharpe, Graham and Crosson, and the following candidates for the House: Dr. E. C. Ridgell, Isaac Edwards, Joseph L. Amick and R. L. Shuler.

It was a representative gathering of the citizens of that section and all of the speakers had a respectful hear-

Columbia's Amusements.

It has been the editor's good fortune to attend the various places of amusement in Columbia during the past few weeks. To say that we have been delighted, yea, charmed, by the wonderful attractions offered by the different little theatres in the city is expressing it mildly. Each of these shows furnish performances of a high character and it is surprising to see how well they keep up, when one considers the small price of admission charged. Every day or two new plays are put on and a complete change of program, which undoubt-edly costs money. This goes to show that the managers are spring neither time nor money in securing attrac-sions which appeal to the theatregoers. Certainly, Columbia is blessed with clean and uptodate amusements.

Help for Those Who Have Stomach Trouble.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. BOARDMAN & GRAY Established in 1837

BRIGGS PIANO COMPANY Established in 1868

From the Factory Direct to Your Home

BOARDMAN & CRAY were among the pioneer piano makers of America. Their instruments have always been as good as money and brains could make them, and today, after seventy-one years of continued progress and prosperity, embody everything that can make up artistic pianos of

THE BRIGGS PIANO CO. was one of the first to turn their attention to uprights, and contributed much to the development of the upright piano of today. The scale of a piano is its soul. Herein lies the great mystery of artistic piano making. Mr. C. C. Briggs was one of the few expert scales draughtsmen of America. That is why his pianos have such a wonderful sympathetic tone and so tenderly appeal to the hearts and souls of men.
