### Letter to Capt. L. W. Redd. Lexington, S. C.

Dear Sir: You manage men and machinery; no one knows better than you that one man is worth more than another; that one machine is worth more than another machine. Sometimes you pay the man more, sometimes you don't; sometimes the machine costs more, sometimes it doesn't. The difference is sometimes, two or three to one, and costs not a cent.

So with paint, and more too; the paint that does best service makes a less first cost of the job-you can paint Devoe at less expense than the meanest stuff you can buy.

It is like a good steady man or machine; but goodness and steadiness have to be paid for in men, in machines not always, and never in paint. Paint is cheap in proportion to strength.

It is pure paint that is steady and good; it is paint adulterated that is tricky. There is enough paint in the worst of these mixtures to look and feel like paint, and enough adulterants (whiting, china-clay, barytes, ground stone, benzine, water) to make two gallons of one.

There are eight pure paints in the United States; we know of no more; there are 200 adulterated. We analyze all, and know what they are of. Pure isn't all; you want strength. The least gallons paint is Devoe. Yours truly, F. W. Devoe & Co.

### The New GUUUWIN & WILLIAMS, Merchants, S. C. SWANSEA,

## Heavy and Fancy Groceries, Grain and Feed.

I have removed my business from Gervais to corner Main and Blanding street, convenient to the trade, and solicit a share of the Lexington patronage, always giving them lowest prices possible. Give me a call and you will be pleased. .

Beginning Thursday, August 6th, and continuing for ten days, we offer our entire stock of Dry Goods, Silks, Ladies' Skirts, Millinery, Hosiery, Underwear, Gloves, Jewelry, Laces and Embroideries at ACTUAL COST.

We also offer all low cut Shoes, Sammer Clothing, Pants and Straw Hats at and below COST-not what they cost you, but the exact cost to us.

We have held our regular semi-annual clearance sales in our Clothing, Shoe and Hat departments, but this is the first sale of the season in which our magnificent stock of dress goods, including the other departments, have been offered at such sacrifice prices. We want the money, we want the room for new goods, we want to give our patrons bargains that will prove everlasting advertisements for this store. High sounding words and redundant sentesces sound good in advertising, but the Cold Naked price reductions backed by the incomparable values offered during this sale is the most powerful and eloquent appeal that any store could offer. Money talks-it makes the loudest noise in the commercial world-it is the most eloquent of all arguments and inducement-hence this store buys for cash and sells for cash.

May we have the pleasure of your presence. May we have the privilege of demonstrating to you that every statement herein made is absolutely true-as true as the needle to the pole. Sale starts THURSDAY, AUGUST 6, and closes SATURDAY, AUGUST 15.
