Thief's Bride Faints In Court.

Atlanta, Ga., October 18.—J. W. Lorraine, charged with stealing pay checks from the public health department in Washington last August, pleaded guilty in the Federal Court here on Wednesday and was sentenced to five years imprisonment and to pay a fine of \$1,000.

Lorraine, it is said, was married about the time the alleged theft was committed and started on a bridal tour. It was charged that two of the checks were passed on Atlanta banks and another in Montgomery. He was brought here for trial from Montgomery, where he is under a \$5,000 bond, having pleaded guilty to the charge there.

When the Judge announced the sentence Lorraine's young wife, who was in the Court room, fainted. Lorraine began serving his sentence at the Federal prison here this afternoon.

Served as coffee, the new coffee substitute known to grocer's everywhere as Dr. Shoop's Health Coffee, will trick even a coffee expert. Not a grain of real coffee in it either. Pure healthful toasted grains, malt, nuts, etc., have been so cleverly blended as to give a wonderfully satisfying coffee taste and flavor. And it is "made in a minute," too! No tedious 20 to 30 minutes boiling. Test it and see. Dr. Shoop created Health Coffee that the people might have a genuine coffee substitute, and one that would be thoroughly satisfying in every possible respect. Sold by M. D. Harman.

Tickets Sent Out For Election.

State Chairman Willie Jones is sending out to the various county chairmen the tickets for the November election. There were 2,000,000 tickets printed and every county will be given a liberal supply of their county ballots, as well as those for the State and federal offices.

In the tickets for Lexington county the space for county superintendent of education will be left blank, Chairman Jones still holding that the Lexington executive committee violated the rules of the party in nominating A. D. Martin for that place without first submitting it to a primary.—The State 15th.

Had a Close Call.

Mrs. Ada L. Croom, the widely known proprietor of the Croom Hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at Kaufmann Drug Co., Derrick's Drug Store, Sandel Drug Store. 50c. and \$1.00. Trial bottle free.

Dog Bites Young Lady.

Gaffney, October 13.—Special: Miss Rosa McCraw, the pretty 15-year-old daughter of Mrs. P. L. McCraw, was bitten by a small dog yesterday afternoon while trying to relieve the animal from a fit of choking. The young lady inserted her finger in the throat of the dog when he bit her severely on the hand. Mr. Brown Lowe, who is the owner of a madstone, which has been used extensively within the past few months, was soon on the scene and the stone adhered to the wound for more than forty hours. The young lady has many friends who hope that she will experience no further trouble from the bite.

The Lexington Dispatch of last week contained display advertisements of eight banks in and near Lexington.

We are glad to see the banks advertising, not alone because it creates more business for the newspapers but because it shows a spirit of enterprise and helps any bank that will call to the attention of the public that their business will be appreciated. It is a safe proposition that any bank or other concern that invites business is enterprising and accommodating.

Columbia Man Marries Negro Woman.

This is a fact, and we can prove it; however, it was expected because the man bought furniture from the Lion Furniture Co., and they saw that he was a negro man. He bought from us because he had tried all over Columbia, and found our's the cheapest. See our ad in this paper.

Joe Brown Elected.

Atlanta, Oct. 8.—Returns received from yesterday's state election indicate the election of Joseph M. Brown, the democratic candidate for governor by a majority of more than 80,000 over Yancy Carter, independence party nominee.

The constitutional amendment for avowed purpose of disfranchising the negroes was also carried by a decisive vote.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now cure all the pains and pangs of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it is fully cured all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes, pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help.
