### Double Tragedy; Great Mystery

A double tragedy, surrounded by mysterious circumstances, occurred at Greenfield, Mass., on Wednesday night. Benjamin E. Gaines, 39 years old, and Miss Harriet Mabel Wing, ten years younger, were found lying from bullet wounds at Miss Wing's boarding house. Both expired without making a statement. The police expressed the opinion that Gaines shot the young woman and then killed himself, but no reason for the shooting is known.

Miss Jennie Reed, who while passing the house, heard groans, and, upon investigation, found the bodies of Gaines and Miss Wing. The latter was lying on the ground near the piazza, where she had probably fallen when shot and that of Gaines was hanging over the piazza railing. A revolver was also found on the piazza. Miss Wing had three bullet wounds in her right breast. Gaines was suffering from a bullet wound in the right temple.

Gaines and Miss Wing had been seen frequently in each other's company. Their acquaintances knew of no quarrel.

Gaines was an inspector of work at a machine shop. Miss Wing was a salesgirl in a department store.

It isn't so difficult to strengthen a weak Stomach if one goes at it correctly. And this is true of the Heart and Kidneys. The old fashioned way of dosing the Stomach or stimulating the Heart or Kidneys is surely wrong! Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs", said he. Each inside organ has its controlling or "inside nerve". When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell! Sold by Kaufmann Drug Co.

The board of health of Charleston and the Charleston school commissioners have clashed over the question of drinking water in the city schools. The board of health wants the schools to use Goose Creek water, while the commissioners want to use underground cistern water.
