#### The Girl Behind the Plow.

Ye city belles who stand and primp  
Before the glass each day,  
And try to put some color where  
The bloom has fled away,  
Behold your country cousin's charms  
And at her freshness bow;  
The morning kissed her lips red,  
While riding father's plow.  
I saw her drive the team afield,  
And mount the iron seat,  
As lithe as any kitten when  
It springs with cushioned feet,  
The city miss, with lazy yawn,  
And marble face and brow,  
Was sleeping off the last night's dance  
While Ceres rode the plow.

The one is like a flower that grows  
Within a sunless room;  
The other drinks God's morning air  
That gives the richer bloom.  
The one may pound the strident keys  
And bellow like a cow;  
The other sings the world's bread song  
The while she rides the plow.

When fashion's gilded race is run  
And time has left his scars  
On powdered beauty, that once shone  
Like meteoric stars;  
Then who will press her painted lips  
Or breathe the lover's vow,  
While summer tints with rosy blush  
The girl who rides the plow!  
—Eugene Secor in Farmers' Union Sun.

STATE OF SOUTH CAROLINA,

It is a waste of effort to try to heat one's house with hot air. A little less talk and a little more time at the woodpile.

A naughty man says that a woman has about the same feeling for logic in an argument as for cockroaches in the kitchen.

#### What Would You Do.

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by Kaufmann Drug Co.

The police department has received a new patrol wagon in order to handle recalcitrant citizens more promptly. It is a single-horse vehicle and is quite attractively painted in black and striped in gilt. (Columbia Record.)

### A FACT ABOUT THE "BLUES"

What is known as the "Blues" is seldom occasioned by actual existing external conditions, but in the great majority of cases by a disordered LIVER.

#### Lexington County Fair.

It was our pleasure to attend the county fair at Lexington on Wednesday and especially did we enjoy the day, as we were on our native heath and pleasantly mingled with friends and companions of our boyhood days. It was an ideal autumn day, and the people turned out from all sections of the county to enjoy an old-time fair. Whole families came in buggies, wagons and all kinds of vehicles. At noon they spread their elegant dinners and all ate and were merry. The people of Lexington are a noble, unselfish, hard-working and frugal people. They toil along attending to their own affairs, have plenty to eat and wear and free of debt.

The Fair showed the progressive spirit of Lexington's sturdy farmers and we considered it a great success. The exhibits of poultry, field crops, stock and household articles were exceedingly fine and would have done credit to any State Fair. The exhibits were nicely arranged and interestingly viewed by the throngs of visitors.—Johnston News-Monitor.

#### Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists, Price, 75c. per bottle.  
Take Hall's Family Pills for constipation.

#### Dies in Agony of Hydrophobia.

Matthew Berman, a merchant of Elberton, Ga., who was bitten by a mad dog on the night of Oct. 1st, died a few days ago, after an illness of two days from hydrophobia.

Mr. Berman did not become violent until a short time before his death. One great fear in his lucid moments seemed to be that he would injure somebody. At one time he broke loose from his attendants and jumped through the window. He was brought back to the house, but later broke away again, and running to the bath room drank water as if he could never get enough. He seemed to be burning up with thirst. Later he asked that he be strapped to his bed, and this request was complied with.

Just before he died, after one of his paroxysms, he asked that every one leave his room. Though strapped to the bed his fear that he would injure some one was so great that he wanted to be alone. It was soon after this, while alone, that he died.

## PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers. Its effect is charming, pleasantly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Brise your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend
