**THOSE EVERLASTING TOOLS**

There is as much difference between the quality and make of tools as there is between the making of two biscuits, one made by an expert cook and the other made by an experienced cook. One biscuit will almost melt in your mouth, the other one you could knock down the cook with it.

**THE KIND YOU NEED**

Are tools that last, in other words, when they are once sharp will stay that way indefinitely. These are the tools we are making a special low price on for a few days. A Disston Saw pulls so easy, and a Plumb Hammer is a "plumb" good one. Give your friend one for a Christmas gift. Yours for that "Everlasting Hardware."

**QUALITY SHOES!**

You have probably bought many things that looked good, that cost a good price, but under the rugged test of service soon proved themselves worthless. It might have been shoes that soon run over at the sides, caps broke down, heels gave way, sewing gave out and soles were plated.

To guard against these things, especially in foot-wear, and be confident of getting the best quality foot-wear your money can buy, take advantage of the large and choice stock constantly available for making pleasing selections at our store.

**Tom Glover's Side of the Killing of Rawls.**

The friends of Tom. S. Glover tell a version of the killing of E. S. Rawls, which is quite different from the reports published. They say that Rawls came into the office where Glover was working, and asked him if he had loaded some cars, to which Glover replied that he had not. Rawls asked him why he had not attended to the matter, and Glover answered that he had received no instructions as to loading the cars. Rawls replied that he had given him the instructions in regard to the loading, and Glover then called him a liar, and stated that he had given no instructions. The parties assert that then Rawls reached in his hip pocket to get a pistol. Glover was standing near a table on which a pistol was lying. He reached back and got the weapon and fired instantly at Rawls the bullet taking effect in the latter's face, causing instant death. It is stated that when the pistol was fired by Glover, Rawls had his hand on his own pistol.

Glover was given a preliminary hearing at Umatilla Tuesday, before Justice Clark and was held for manslaughter for killing Edward Rawls. Bond was placed at \$1,000 for the defendant's appearance before the circuit court in March. The bond was given shortly afterwards and Sheriff Cassidy released the young man from custody and he left yesterday with his father for Aiken. A number of people attended the hearing and much interest was manifested. Attorney G. B. Timmerman, of Batesburg, S. C., represented the prosecution, and Joseph H. Jones, of Orlando, represented the defense. Aiken Recorder.

**Watson's Estimate.**  
 Commissioner E. J. Watson of the State department of agriculture, has issued an estimate of the cotton crop in the South for the Southern Association of Commissioners of Agriculture. He says: "Our estimate, which is based on telegraphic reports received from all the States save Georgia, whose commissioner is absent from the State, dated Nov. 19, and on the ginner reports of Nov. 14, is 12,541,089 running bales, excluding linters. This conclusion is reached after due allowance for the weather and other crop conditions for 1908. The crop last year was 13,539,948 bales."

Eat all the good food you like. Quit dieting. You don't have to diet to cure dyspepsia. In fact you can not cure dyspepsia or indigestion that way, but rather you must add strength to the weak stomach by taking something that will digest the food which the stomach can not digest. Kodol is the only thing known today that will do this, for Kodol is made of natural digestive juices found in a healthy stomach, and it digests all food completely. Kodol is pleasant to take, and is guaranteed to give relief in any case of stomach trouble. Sold by Kaufmann Drug, Co.

**A Good Reason.**

**Lexington People Can Tell You Why It Is So.**

Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headache and distressing kidney and urinary complaints. Lexington people testify to permanent cures. J. J. Schwartz, living on South Main street, Lexington, S. C., says: "I have been using Doan's Kidney Pills but a short time, but I have received more benefit from them than any other remedy. I suffered from a too frequent action of the kidneys, and my back pained me severely. The secretions were dark in color and contained a sediment and though I used a number of different remedies, they did not prove of benefit. I finally sent to The Kaufmann Drug Co., procured Doan's Kidney Pills, and am pleased to state that they gave me prompt relief."  
 For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
