### Good Cough Medicine

#### For Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Staicher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by Kaufmann Drug Co.

### Mrs. McRaney's Experience.

No human tongue can tell how I suffered, and I had given up hope of ever getting well until I began taking Foley's Kidney Remedy. After taking two bottles I felt like a new person, and feel it my duty to tell suffering women what Foley's Kidney Remedy did for me." For sale at Derrick's Drug Store.

## Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pang of this terrible disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made & perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I finally cured all curable cases of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to water. And then, when dissolved, these poisonous wastes freely pass from the system and the cause of Rheumatism is gone forever. There is now no real need of an actual cure to suffer longer without help. We sell, and in confidence recommend
