Easy to Criticize. It is easy to sit in the sunshine And talk to the man in the shade; It is easy to float in a well-trimmed boat. And point out the places to wade, But once we pass into the shadows, We murmur and fret and frown, And our length from the bank, we shout for a plank, Or throw up our hands and go down. It is easy to sit our carriage And counsel the man on foot; But get down and walk, and you'll change your talk, As you feel the peg in your boot. It is easy to tell the toiler How best he can carry his pack; But not one can rate a burden's weight. Until it has been on his back. The up-curl'd mouth of pleasure Can preach of sorrow's worth; But give it a sip, and a dryer lip Was never made on earth. —Ella Wheeler Wilcox.

Chicago's earnest motto is "I will!" and not "I won't!" And yet there are Chicago girls Who calmly say "He don't!" And so it goes. In Boston, where There's culture beyond price You sometimes hear the quick remark, "Say, he don't cut no ice."

There even is a man from Maine Who loves to chaff and quiz, And you would be surprised to know He often says "They is!" Somerville Journal.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual cause of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once, and see! Sold by Kaufmann Drug Co.

If you would have a safe yet certain Cough Remedy in the home, try Dr. Shoop's—at least once. It is thoroughly unlike any other Cough preparation. Its taste will be entirely new to you—unless it is already your favorite Cough Remedy. No opium, chloroform, or any other stupefying ingredients are used. The tender leaves of a harmless, lung-healing mountainous shrub, give to Dr. Shoop's Cough Remedy its wonderful curative properties. It is truly a most certain and trustworthy prescription. A Night Rider's Raid.

The worst night riders are calomel, croton oil or aloes pills. They raid your bed to rob you of rest. Not so with Dr. King's New Life Pills. They never distress or inconvenience, but always cleanse the system, curing Colds, Headache, Constipation, Malaria. 25c. at Kaufmann Drug Co., Derrick's Drug Store and Sandel's Drug Store.
