"Meet Me at Tapp's."

"Meet Me at Tapp's" is a familiar sound to most everybody's ear. Nearly everybody meet at Tapp's, because it is foremost among the shopping centres of Columbia. You never go to Tapp's without meeting some of your friends and acquaintances there. Especially is this true right now when new goods are being opened up every minute in the day. At Tapp's you will find all that's newest and best in early spring and summer goods. There is no better buyer in the country than Mr. Tapp, and the collections he has gathered together so early in the season is attracting the attention of shoppers every day. Buy at Tapp's and you'll get the best goods for the least money.

Judge Harman.

Mr. Thos. L. Harman, of our town, has been appointed magistrate of the Lexington district, to succeed Mr. G. A. Derrick, whose time has expired, and who refused to have the place under any consideration. Mr. Derrick has made one of the best magistrates the county has ever known. During his term of office he has not been reversed by the circuit court but once. It will be recalled that Mr. T. E. Campbell was the only candidate who offered for the place in the primary last summer. He did not receive more than about one-third of the votes cast and it is supposed that this was the cause of his appointment being held up. Mr. Harman is a capable gentleman and will no doubt hold the reins of justice with an even hand. Here's luck to Judge Harman.

When you want a pair of dress or every-day-shoes, remember that you will find the best makes and styles for men, women and children at T. H. Williams. The prices will please you.

Spring at Mimnaugh's.

Truly, it is Spring at the mammoth store of J. L. Mimnaugh & Co., in Columbia. All of the advance styles in early Spring and Summer goods have arrived in all their beauty and loveliness, and everybody is rushing to the big store to inspect the new arrivals.

Mr. Mimnaugh is always to the front in securing the "latest out" for his customers, and this season he has surpassed all previous efforts.

New Spring suits, ladies dress goods, dry goods, notions, shoes, hats, fancy millinery, men's and boy's clothing, are all to be found at this great store, and the prices were never more astonishingly low.

Everybody should see the new Spring goods at Mimnaugh's, before buying elsewhere.

The Dispatch joins the mighty host and extends its most cordial congratulations.

An Able Defense.

The firm of Graham & Starke conducted the defense of Thomas J. Craft with much skill and ability. Col. Graham, the senior member of the firm, consumed one hour and fifty minutes in delivering this argument, which was a masterful one, indeed, many persons who heard it believe that it was one of the ablest arguments ever heard in the court house.

Always Keeps a Bottle In The House.

"About ten days before Christmas I got my hand hurt so badly that I had to stop work right in the busy time of the year," says Mr. Milton Wheeler, 2100 Morris Ave., Birmingham, Ala. "At first I thought I would have to have my hand taken off, but someone told me to get a bottle of Sloan's Liniment and that would do the work. The Liniment cured my hand and I gladly recommend it to everyone."

Mr. J. E. Matthews, proprietor of St. James Hotel, Corning, Ark., says: "My finger was greatly inflamed from a fish sting and doctors pronounced it blood poisoning. I used several applications of Sloan's Liniment and it cured me all right. I will always keep a bottle of Sloan's Liniment in my house."

Mr. J. P. Evans of Mt. Airy, Ga., says:—"After being afflicted for three years with rheumatism, I used Sloan's Liniment, and was cured sound and well, and am glad to say I haven't been troubled with rheumatism since. He was hanged to a tree and his body was riddled with bullets.
