Announcement Extraordinary OF INTEREST TO YOU

We have just secured the exclusive agency for the sale of **Garland Stoves and Ranges, Gas Ranges and Heaters**, "The World's Best." Garland's are now, and have been, continuously, for more than a third of a century, the most extensively sold popular and best stove specialties in existence.

In accepting this agency we intend to supply our customers with the highest grade and best stoves made, which are invariably the cheapest in the end and most satisfactory.

Garlands are made in the largest, most modern and best equipped plant in the world, from the best obtainable materials, and by the most competent and skilled workmen.

DURABILITY, ECONOMY, CONVENIENCE AND SAFETY OF OPERATION, all Vital **GARLAND** Characteristics, transcend, in real importance, all other factors for consideration in the purchase of a stove or range.

A **Garland**, which should last a lifetime, will save you each year in the cost of fuel and maintenance more than the difference between its original price and that of a cheaper article.

This saving will be duplicated each succeeding year, and ultimately aggregate an amount greater than the original cost of the **Garland**. Do not buy a stove or range until you have examined the complete assortment—a full carload—of **Garlands** shown by us. Whether you want to buy or not, let us show and explain to you these wonderful stoves.

Mad Dogs at Johnston.

Parents should be careful in sending their children out alone, as there seems to be a regular epidemic in this community. Last week a fine dog belonging to Mr. John Mobley, in town was seized with rabies and bit a number of dogs before being killed. The dog was bitten six months ago by a dog supposed to be mad, but the disease did not develop until last week. On Saturday night a fine horse belonging to Mr. Jake Smith, who resides a few miles from Johnston, died from hydrophobia. Three weeks ago the horse was bitten by a mad dog and nothing more was thought of it until last week, when the animal developed hydrophobia, and the disease became so violent that it died Saturday night.—Johnston Monitor.

to A. A. Ohisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used **Electric Bitters**. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infalible for Stomach, Liver, Kidneys, Blood and Nerves. 50c. at Kaufman Drug Co. Dericks Drug Store. Sandel Drug Store.

DIME NOVELS CAUSES A YOUTH'S DOWNFALL.

Tried to Extort \$35,000 from Wealthy Atlantian by "Black-Hand" Methods—Father and Mother Heart-broken.

"It was just a fool notion I got from reading dime novels," said Daniel W. Johnson, Jr., the 18-year-old boy who was jailed in Atlanta last week for having attempted to extort \$35,000 from Asa G. Candler, prominent banker and Georgia's wealthiest citizen, through Black-Hand methods.

The young man at first told the police that he had been forced by three strangers to write letters to Mr. Candler, demanding the money. He now admits that the scheme was of his own concoction.

Johnson wrote the second letter on Sunday, repeating his threats of death to Mr. Candler in case of his non-compliance, and then went to church and took his regular place in Mr. Candler's Sunday school class.

Johnson was arraigned before United States Commissioner Colquitt, waived examination and was bound over to await the action of the federal grand jury. Bond of \$1,000 was made and Johnson released.

The case was set for hearing in the circuit court May 10 next. The specific charge is using the mails with intent to defraud.

Mr. Candler has announced that he will not urge the prosecution.

The boy's father is heart-broken over the case and Mrs. Johnson has been confined to her bed since the news of the arrest of her son reached her.

Mrs. Lena Amick, of Lexington, S. C., says: "I can say that I have found Doan's Kidney Pills to be a very good kidney remedy. I suffered a great deal from kidney complaint and although I used a number of remedies, I did not receive much relief. Not long ago I heard about Doan's Kidney Pills and procured a box at the Kaufmann Drug Company. Since using them I am feeling better than I have in a long time, the pains in my back have lessened and the kidney secretions are becoming natural. I am glad to recommend Doan's Kidney Pills to others in return for the benefit I have obtained from their use."

Mrs. Ella Bowers of Lancaster had a turkey hen to hatch out seven little turkeys on the 14th day of February—St. Valentine's day, five of which are now living and growing nicely, two having been killed by a hawk. Mrs. Bowers' father, Mr. R. H. Philipps, was certain that the little ones would die—hatched out so early in the season—that he told his daughter that he would give her \$5 for every one she raised. Now, however, he wants to "back out" as the prospect of having to pay \$25 for five turkeys stares him in the face.
