**Woman's Age**

often does not agree with her appearance. Pain and suffering add to the years till many women look much older than they really are.

Many women, avoiding pain by the regular use of that effective remedy, for women, Wine of Cardui, keep their youth and beauty.

**Take CARDUI**

Mrs. Annie Vaughan, Raleigh, N. C., tried Cardui and writes:

"I was sick and worn out almost unto death. My sister finally persuaded me to take Cardui. Before I had taken five bottles I was well and strong."

Try Cardui. It is for women. Its tonic, building qualities should restore you gently to health. Thousands of women have found it to give them lasting benefit.

Try Cardui. For sale everywhere. E 47

**The Girl Not To Trust.**

The girl who says: "It was told me." What reason have you to think that your secret will receive better treatment?

The girl who has something unkind to say the minute a friend's back is turned. Don't flatter yourself that that scathing tongue is stilled for you alone.

She who flatters. Truest appreciation is not given to gush. The flatterer can scent vanity as a bound on a trail and follows it up for her own benefit.

A fool in his folly asketh thee for a kiss but a wise man taketh it first and asketh thee afterward. Verily he getteth the kiss.

A fool in his folly confesseth his sins unto his wife, but a wise man denieth the very nose upon his face even the cocktail upon his breath, that her mind shall be easy.

A fool in his folly calleth too early and remaineth too late, but a wise man leaveth thee ever with a taste for more.

A fool in his folly treateth all women as a pastime, but a wise man treateth each woman as though she were the only one.

**Forced Into Exile.**

Wm Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New-Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat. Cures Grip, Bronchitis, Hemorrhages, Asthma, Croup, Whooping Cough, 50c. and \$1.00. Trial bottle free. Guaranteed by Kaufmann Drug Co., Derrick's Drug Store, Sander Drug Store.

**W. C. T. U. NOTES.**

We cannot place too high a value on the formative and educational phases of the temperance movement. Let us work and pray that there may come to the church and to the hearts of our people a Church-like desire to eradicate this accursed evil from our land. The only failure that can come to the Christian reformer is the failure to adhere to that which is right. Peace, prohibition—on these four "hang all the law and the prophecies" of the temperance reform. The liquor tribe will rage awhile longer; but God is on His throne! He has uttered His voice; the liquor traffic is doomed to destruction. The Woman's Christian Temperance Union is not only anti-saloon, but anti-brewery, anti-distillery, anti any form of alcoholic liquor making, or liquor selling, for beverage purposes.

Shakespeare wrote, "Oh! Thou invisible spirit of wine, if thou hast no name to be known by, let us call thee devil."

As the eleventh commandment given us by our Lord and Savior is applied more fully to the customs of society and the laws of our land, this evil spirit in like proportion will be cast out from the heart and the home, the community and the nation.

**Successor to Capers.**

Washington, D. C.—It is announced that the resignation of Capt. John G. Capers, as internal revenue commissioner, to take effect July 1st, has been in for some time and that Roy Cabell, now postmaster at Richmond, will succeed him.

Capt. Capers is still critically ill.

**The Pain Made Her Faint.**

"For almost four years I had a sore on my leg," says Mrs. Olive Hurd of Madison, N. H., "and this spring a doctor healed it up. I felt fine for about a month but had to be on my feet a swelling as big as my fist. It hung down and was as red as if it had been blistered and so sore that I could hardly get around. The cords of my leg seemed to be stiff and the pain was so bad at times that it made me faint. One of the neighbors told me about Sloan's Liniment so I got a bottle and put some right on. Next morning I could walk ever so much better and I kept right on using the Liniment night and morning. It took down all the swelling, and the redness and soreness have gone too. I shall never be without Sloan's Liniment in the house again and will recommend it to all suffering friends."

**If We Knew**

If we knew the cares and crosses Crowded round our neighbor's way,

If we knew the little losses Sorely grievous day by day,

Would we then so often chide him For the sake of thirt and gain—

Leaving on his heart a shadow, Leaving on our hearts a stain?

If we knew that clouds above us Held our gentle blessings there,

Would we turn away all trembling, In our blind and weak despair?

Would we shrink from little shadows, Lying on the dewy grass,

While 'tis only birds of Eden, Just in mercy flying past?

If we knew the silent story Quivering through the heart of pain,

Would our womanhood dare doom them Back to haunts of vice and shame?

Life has many a tangled crossing, Joy has many a break of woe,

And the cheeks tear-washed are whitest,

This blessed angels know.

Let us reach within our bosoms For the key to other lives,

And with love to erring nature, Cherish good that still survives;

So that when our disrobed spirits Soar to realms of light again,

We may, say, dear Father, judge us As we judge our fellow men.

**Eat What**

You want of the food you need **Kodol will digest it.**

You need a sufficient amount of good wholesome food and more than this you need to fully digest it.

Eise you can't gain strength, nor can you strengthen your stomach if it is weak.

You must eat in order to live and maintain strength.

You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly.

When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

**Our Guarantee**

Go to your druggist today, and purchase a dollar bottle, and if you can honestly say, that you did not receive any benefits from it, after using the entire bottle, the druggist will refund your money to you without question or delay.

We will pay the druggist the price of the bottle purchased by you.

This offer applies to the large bottle only and to but one in a family.

We could not afford to make such an offer, unless we positively knew what Kodol will do for you.

It would bankrupt us. The dollar bottle contains 2 1/2 times as much as the fifty cent bottle.

Kodol is made at the laboratories of E. C. DeWitt & Co., Chicago.
