

Mimnaugh's Semi-Annual Clearance Sale

Mimnaugh's buying power makes this sale possible. Realizing that cotton was going up, we bought an immense amount of White Goods and Muslin Underwear many months ago, paid cash and got a big discount. Now you reap the benefit, for we offer you these goods at old prices. A few months from now, and you would pay nearly twice as much for these goods, since cotton has nearly doubled in price since these goods were purchased.

We have included in this sale Ladies' Tailored Suits and Children's Cloaks at half prices, while Skirts, Underskirts, Blankets and other good seasonable merchandise are offered at prices unmatchable anywhere.

Second Week With Auditor.

On last Tuesday we began the second week with the County Auditor at Pelion. Here we met an unusually large crowd, anxious and ready to render unto Caesar the things that are his." Pelion is growing, a number of handsome new residences being in course of construction. The farmers of this section are in good shape, many of them having enough supplies to carry them through the summer.

From Pelion we went to Sradman, where but few people, outside of those living right in the immediate community, met us. However, they were served with promptness by the auditor, and soon we were on our way to Samaria, where our good friend, William Westmoreland, met us with a glad smile and a hearty hand-shake. William is one of the best men in the county and is doing well. But few people turned out here.

Thursday was spent at Latesburg. The attendance at this point was not up to other years, scarcely any but the town people repairing their property. This town continues to grow and prosper. No town in the State has a finer set of business men. At the same time business was rather quiet, but the merchants were in a good humor and are expecting a good spring trade.

At Leesville on Friday the turn out was fairly good. The merchants here are enjoying the usual amount of trade for this season. The town continues to grow both in population and in amount of business transacted. At Batesburg and Leesville the auditor was assisted by Mr. J. M. Matpass, who is a good business man, being rapid and accurate.

Saturday morning was spent at Summit. The attendance here was

very small, and it was not long before we were counting cross-ties on the way to Gilbert. An excellent dinner was served us at the Burr hotel, Miss Gussie Barre proprietress, which was much enjoyed. At Gilbert the crowd was up to the average and the auditor was kept busy until the hour of our departure.

The editor's collections were the poorest ever made in this territory. This week we are in the Fort feasting on the good things set before us by the good people of this prosperous section of our county. G. M. H.

Hendrix-Koon.

The beautiful country home of Mr. and Mrs. W. H. Hendrix on Hollow Creek was the scene of a very pretty marriage on last Wednesday, when their accomplished daughter, Miss Maude, became the bride of Mr. J. P. Koon of Chapin. The ceremony was witnessed only by immediate relatives and a few intimate friends. An elegant wedding dinner was served the invited guests.
