OBITUARY.
Harvey Moak Stallings, age two years, five months and twelve days, fell asleep in Jesus January 12th at the home of his father, Mr. P. H. Stallings, Columbia. The child's mother, Mrs. Annie Moak Stallings, dying when little Harvey was only eight days old, his grand-parents, Mr. and Mrs. L. W. Moak, cared for him as their own until a short time ago when his father took him in charge. This little life, though so short, has been sweet, beautiful and blessed to those who loved him so much.
God bless the little feet whose pattering we shall hear no more!
Now we are drifting on the tide, but they have reached the shore; And while the blinding tear drops wet these little shoes so old, We try to think our darling's feet are treading streets of gold:
When we lay them down again, we always turn and say,
God bless the little feet that now so surely cannot stray.

Why Are Wagons Painted?
A cheap wagon is painted to hide defects in the wood and make it look attractive to the purchaser.
Even the paint is of poor quality and wears off quickly, leaving the wood exposed to the weather.
A Studebaker is painted to preserve the wood and protect it from the elements.
Even when the boxing is forced into the hub, it is covered with pure lead in order to keep moisture out of the hub.
You cannot see that, but it's there just the same.
The paint used on a **Studebaker WAGON** is chosen for its wear and weather resisting qualities.
It may not look much different from the "cheap" wagon when new, but—
Ask us for the book, "The Farmer's Friend," which shows just how the Studebaker is made.

The Great Liver Medicine and General Tonic.
Don't take pills and violent purgatives. They only make bad matters worse. They don't cure. Take R. L. T. for Constipation, Biliousness, Indigestion and all Liver Troubles. It acts in perfect harmony with nature. It prevents Chills and Fever.
Dr. Richardson, of Anderson, S. C., has been prescribing continuously for 25 years and says he does not know of any remedy that will give such good results as this remedy.
Chiquola Drug Co., Anderson, S. C.: I have been using "Richardson's Liver Tonic" in my home for some months past and find it an excellent preparation. It has served as a substitute for calomel, giving the desired effect without the usual nausea following a dose of calomel, and leaving the liver in normal activity. I recommend it without hesitation.
