

# Are You Honest?

With your land when for the sake of saving a few dollars you use a fertilizer whose only recommendation is its analysis. It requires no special knowledge to mix materials to analyses. The value of a fertilizer lies in the materials used, so as not to over feed the plant at one time and starve at another. This is why Royster brands are so popular. Every ingredient has its particular work to do. Twenty-five years experience in making goods for Southern crops has enabled us to know what is required.

### Capt. Bogardus Again

#### Hits the Bull's Eye.

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says:—"I have suffered a long time with kidney and bladder trouble and have used several well known kidney medicines all of which gave me no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills I was subjected to severe backache and pains in my kidneys with suppression and oftentimes a cloudy voiding. While upon arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and once more feel like my own self. All this I owe solely to Foley's Kidney Pills and always recommend them to my fellow sufferers."
