QUALITY SHOES!

You have probably bought many things that looked
good, that cost a good price, but under the rugged
test of service soon proved themselves worthless.

It might have been shoes that soon run over at
the sides, caps broke down, heels gave way, sewing
gave out and soles were plated.

To guard against these things, especially in foot-
wear, and be confident of getting the best quality foot
wear your money can buy, take advantage of the large
and choice stock constantly available for making pleas-
ing selections at our store.

Honesty in Jewelry

"If it came from Sentz's, you
know it's all right," is what one
of our customers remarked to
another the other day.

good or not.

That's just where our reputa-

counts.

And furthermore, we will al-
ways give you your money back
and ask no questions any time
you are dissatisfied with a pur-
chase.
