Georgia Humors.
The humorous editor of the Upson County Ga. Parrot grinds out the following: "His horse went dead and his mule went lame, and he lost six cows in a poker game; then a hurricane came on a summer's day and blew the house where he lived away, and the earthquake came when that was gone and swallowed the land that the house was on; then the tax collector came 'round and charged him up with the hole in the ground."

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take CARDUI

The Woman's Tonic

The pains from which many women suffer every month are unnecessary. It's not safe to trust to strong drugs, right at the time of the pains. Better to take Cardui for a while, before and after, to strengthen the system and cure the cause. This is the sensible, the scientific, the right way. Try it.

HER FAN.
Her little fan is snowy white,
And filmy as a veil;
The sticks are carved of ivory,
And delicately frail.
And yet I know her little fan,
So fragile and so fair,
Has warded me my happiness,
And fanned away my care!
