## QUALITY SHOES!

You have probably bought many things that looked good, that cost a good price, but under the rugged test of service soon proved themselves worthless.

It might have been shoes that soon run over at the sides, caps broke down, heels gave way, sewing gave out and soles were plated.

To guard against these things, especially in footwear, and be confident of getting the best quality foot wear your money can buy, take advantage of the large and choice stock constantly available for making pleasing selections at our store.

## Miss Lucile Gunter.

We take the following from the South Carolina Odd Fellows, which will doubtless be of interest to the relatives and friends of Miss Gunter in this county:

"Friends of the Odd Fellows' Orphan Home and the public generally will be interested and greatly pleased to know that Miss Lucile Gunter, the oldest child in said institution, has been appointed to a scholarship in Winthrop College and that she will enter that great school in September. Miss Lucile is in her seventeenth year, is from Lexington county, her father and mother both being dead. She entered the Orphan Home on November 13, 1905, having had previously little opportunity for education. Since her admission she has been a constant pleasure to the officers and teachers, and her influence over the younger children has been a blessing. She is a member of the First Baptist church of Greenville, and all who know her love her. She has from the first taken the highest stand in her studies, and is apt and industrious in domestic services. Her friends predict for her a very bright career, and it is confidently believed that on finishing her course she will return to her beloved home, provided by the good Odd Fellows, to become a teacher, and thus seek to help others as she has been helped."
