Swansea.

The editor spent last Friday at Swansea. Here we found the merchants busy, many farmers having brought their cotton to town during the day. Swansea is a good cotton market—one of the best in the State, and hundreds of bales have already been sold this season. The town continues to grow. The handsome new brick store building of R. L. Lybrand & Co., is nearing completion, and will be one of the most commodious in this section. There are a number of nice and convenient brick stores, all doing a good business. The bank of Swansea is one of the most prosperous banks in the State and its business is rapidly increasing. It has a strong board of directors and a safe and sane set of officers.

The crops around Swansea are not up to former years, both corn and cotton being short.

Brilliant Wedding.

The wedding of Miss Lucille Efrid and Mr. Robert Frank Bowe, which will be solemnized in St. Stephen's Lutheran church this evening at 8:30 o'clock, will be a brilliant social event. The attendants have already arrived in Lexington, and a number of out-of-town visitors are likewise here.

A Big Land Deal.

Mr. Thos. P. Meetze has sold to the Anderson Real Estate Co., of Anderson, S. C., for the Meetze heirs, 40 acres of land lying in the eastern part of the town of Lexington, the price, it is understood, being several thousand dollars.

The property in question extends from the Lutheran church to the home place, and is most desirable for residence lots.

The Anderson Real Estate Co. will spend a large sum on improving the property before it is placed on the market at public auction.

This is considered the largest and most important land deal ever consummated in Lexington, and will mean much to the future growth and development of the town.

Come To The Fair.

The Lexington County Fair will open on next Tuesday, the 25th. The indications are that the fair this year will be larger and better than ever, the entries for every department being unusually full for this stage of the fair. The secretary, Mr. Saml. B. George, and his assistants are kept busy posting up the entries.

The attractions will be of the very best, two high-class carnival companies having been engaged for the entire three days.

Every person in the county should attend the fair and help make it a success.

Greater State Fair.

The State Fair which will be held this year from Oct. 31 to Nov. 4, will be the greatest State Fair ever held. The people of Columbia are making preparations to entertain the crowds, the hotels and boarding houses especially are getting ready for the visitors. The Street Car Company is making great improvements in its service and the people will experience no difficulty in getting to and from the grounds. As usual, Lexington will be well represented at the Fair and we hope to see many premiums brought back by our people. Hon. D. Frank Efrid, the very efficient secretary, is using every means in his power to see that nothing shall be left undone that will make this the grandest fair of all fairs. The new feature of Midway with its numerous shows and attractions on the fair grounds which will be kept open until 11 o'clock at night will add greatly to the pleasures and amusements of the occasion.

Wood's Carnival Co.

The Wood's Carnival Company with 15 Big Shows, Merry-go-round, Ferris wheel, Ocean wave, etc., will be at the County Fair next week. This is one of the best carnival companies on the road, and the fair association is indeed fortunate in securing them.

Entries are coming in fast for the County Fair next week.

ARE WE JUSTIFIED?

Perhaps we ought to be satisfied with present achievement. But, you know "the more a man gets the more he wants." This being true, we are then justified in soliciting new business; and especially so, since we are so well equipped to handle it.
