A Simple Safeguard
For Mothers.
Mrs. D. Gilkison, 275 Inches Ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using only one bottle her throat and lungs were entirely free from inflammation. Since then I always use a bottle of Foley's Honey and Tar the house. Accept no substitutes. Sold by all Druggists."

GREAT BLESSING.
A good newspaper is the grandest temporal blessing that God has given the people of this country. In the first place all the people read the newspapers and the newspapers furnish the greater portion of the reading to the people. They don't read books. The old people look for deaths, the young look for marriages, the business men read the business and financial columns, and those who are unemployed read the want advertisements. Great libraries make a few intelligent men and women, but newspapers lift the nation into the sunshine.—Graymont Hustler.

Cupid's Darts.
We have also been informed that there is to be another marriage in our vicinity ere long. It seems that Cupid is aiming well his fiery darts, constantly arousing that dominating passion of the soul. However, we should be sure that we have been wounded before proceeding too far. The corner wants his man to be dead before he is summoned, but not any more than the parson wants his contracting parties dead (in love) before he is called on to tie something more than a Gordian knot.—Jones County News.
