QUALITY SHOES!

You have probably bought many things that looked good, that cost a good price, but under the rugged test of service soon proved themselves worthless. It might have been shoes that soon run over at the sides, caps broke down, heels gave way, sewing gave out and soles were plated.

To guard against these things, especially in foot-wear, and be confident of getting the best quality foot wear your money can buy, take advantage of the large and choice stock constantly available for making pleasing selections at our store.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
