Every Precaution Taken.

During a recent smallpox epidemic in Alabama special precautions against the disease were taken in the mining camps. In one of these camps the president of the mining company paid a visit on inspection and came upon an old negro leaning against the side of a building.

"Jake," asked the president, "are you afraid of the smallpox out here?"
"Some may be, sah," Jake replied.
"As fo, me, I ain't scared; I se just gwine to get some lime an' lime mah house; an' den de doctah, he's comin' up an' 'sassinat mah fambly, so dat, den, sah, if we do git de smallpox, 'twon't be nothin' but de celluloid."—Woman's Home Companion.

WOMEN'S WOES.

Lexington Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. L. Corley of Lexington, S. C., says: "I was a sufferer for several years from rheumatism and also had symptoms of kidney trouble. My head ached severely and I endured a great deal of misery from severe pains through the small of my back. I finally decided to try Doan's Kidney Pills and procured a box at the Kauffman Drug Co. I used them in accordance with the directions and can say that they helped me a great deal. I do not hesitate to recommend this remedy to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

Lever to Head Committee on Agriculture.

A special from Washington to The News and Courier on Thursday says: Representative Lever has received the solid endorsement of the South Carolina delegation in Congress for chairman of the House committee on agriculture.

There appears now to be no doubt that Mr. Lever will land at the head of this committee, although he stated today that he wanted it understood that he would not make a fight against the present ranking Democrat member, Congressman Lamb, of Virginia. He so informed the members of the ways and means committee today.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif. "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them, 50c at. All Drug-gists.
