WOMEN'S WOES.

Lexington Women Are Finding Relief At Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many aches from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know.

Mrs. E. L. Corley of Lexington, S. C., says: "I was a sufferer for several years from rheumatism and also had symptoms of kidney trouble. My head ached severely and I endured a great deal of misery from severe pains through the small of my back. I finally decided to try Doan's Kidney Pills and procured a box at the Kauffman Drug Co. I used them in accordance with the directions and can say that they helped me a great deal. I do not hesitate to recommend this remedy to other kidney sufferers."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Husband Sentenced

By Wife.

Mrs. Nathan Kirkwood, of 382 Ripka street, Philadelphia, sentenced her husband to one year in the House of Correction, according to a special dispatch to the Baltimore Sun. The woman appeared against her husband in the Manayunk Police Court.

After hearing the testimony the magistrate called Mrs. Kirkwood to the bench, and informed her that she would have to be the judge as to the length of time her husband would remain in jail.

"You go to the House of Correction for one year," Mrs. Kirkwood snapped at her husband, without a second's hesitation.

Kirkwood pleaded with the magistrate, but the pleading brought forth the answer that the sentence was just and would stand.

According to Mrs. Kirkwood, her husband imbibed too freely and sold all the shoes in the house in order to get money with which to purchase liquor. He came home early one morning and started to beat his wife and four children. Mrs. Kirkwood says she has been forced to support the children and thought that a year in jail might make her husband a better provider.

Attack Like Tigers.

In fighting to keep the blood pure the white corpuscles attack disease germs like tigers. But often germs multiply so fast the little fighters are overcome. Then see pimples, boils, eczema, salt-rheum and sores multiply and strength and appetite fail. This condition demands Electric Bitters to regulate stomach, liver and kidneys and to expel poisons from the blood. "They are the best blood purifier," writes C. T. Budahn, of Tracy, Calif., "I have ever found." They make rich, red blood, strong nerves and build up your health. Try them, 50c at. All Drug-gists.
