Devoe Saved Them \$140.

The Fair Ground buildings, Cobleskill, N. Y., were painted Devoe last year. Two other paint agents said the job would take 150 gallons (their price was 15 cents less a gallon). Devoe agent said not over 125. It took 115. Saved 'em at least \$140 on paint and labor. The American House, Tannersville, N. Y., was painted two coats last year; not Devoe. Mr. Charles Haer, across the street, put on one coat Devoe. Mr. Wiltse (American House) is sorry he didn't paint Devoe. Haer's one coat was better than Wiltse's two. Depends on the paint. Plant strawberries, horseradish, English peas, onions and Irish potatoes, and bed yams for slips. Sow asparagus, cabbage, cauliflower, celery, carrots, turnips, radishes, parsnips, mustard, spinach, beets, barley and cress.

Pension For Jim Tillman.

A special from Washington last week says: Col. James H. Tillman, nephew of Senator Tillman of South Carolina, who was recently reported to be alone and penniless, and dying of tuberculosis, is now drawing \$30 a month pension from the United States for services rendered in the Spanish-American war as colonel of the First South Carolina regiment. The pension bill was introduced in May, 1910, by Representative Patterson, of South Carolina.

Why Suffer From Eczema?

A Georgia Man Tells His Experience.

I was afflicted with a very bad case of Eczema for twenty-five years which was in my feet, legs and hips. Through all this time I tried different remedies and Doctors' prescriptions, obtaining no relief until I used your HUNT'S CURE.

One box (50c) cured me entirely, and though two years have elapsed I have had no return of the trouble.

Naturally I regard it as the greatest remedy in the world.

Yours, J. P. Perkins, Atlanta, Ga.
