

**Harness! Harness!**

When you think of harness, think of Mr. Davis, the harness man of Columbia. He is the "Old Reliable," and carries everything in the harness line. He makes a specialty of home-made harness, and his repair shop is one of the best in the State. When you think of harness, think of Davis, the harness man.

**Fine Attractions.**

The Charles Lesley Comedy Company is furnishing the attractions at the Orpheum Theatre, in Columbia. This is one of the highest class comedy companies in the country and those who go to the Orpheum this week will not be disappointed. The price of admission remains the same—10c and 20c. Go, laugh, and grow fat.

**Notice**

Citizens Town of Lexington. You are hereby notified to have your premises cleaned of all trash, waste paper, and especially pig pens and privies. An inspector will call and it is hoped that he will not have to report anyone for ignoring this request. Town Board of Health. E. P. Derrick, physician. 2w21

**Indignation Meeting.**

There will be an indignation meeting at Irmo, White Rock and Chapin, Lexington county, S. C., on Saturday, March 25th, 1911, at 2 o'clock to denounce the injustice that is being done to the taxpayers of the Dutch Fork, by some of the county officials. All are invited to attend. Citizens.

**No School Next Friday.**

There will be no school at the Palmetto Collegiate Institute, on Friday of this week on account of the meeting of the State Teachers' Association. The State Board of Education adopted the following resolution: "Resolved, That the State Board of Education hereby advises the trustees of the public schools to grant to teachers two days' vacation on condition that they attend the spring meeting of the State Teachers' Association." The teachers of the Institute have been given one day vacation, they being able to teach on Thursday and after school go to Columbia in time to attend the meeting. All the teachers will attend the entire meeting of the association.

**Fitzmaurice's.**

Fitzmaurice's Three Arch Store, in Columbia, is just teeming over with new spring goods. Every department of this mammoth store is brimful of the season's newest and best, and the prices are already moving them fast. Mr. Fitzmaurice has just returned from the Northern markets, where he purchased the greater part of these goods himself after making a study of the new ideas in women's wearing apparel. The millinery at this store is simply gorgeous—such a display having never before been made by this establishment. This department is in charge of a competent corps of milliners—all of whom pre in a class by themselves. Go to Fitzmaurice's for your wants in new spring dry goods, notions, hats, clothing, etc. He has what you want at saving prices. Read his advertisement and see him before you buy.

**The Chaingang.**

It is announced that Supervisor Langford will place the chaingang on the roads of the Fork as soon as possible, as he cannot work well over there in the winter months. It is his intention, we understand, to complete the road from Lexington out by Chapin to the Newberry county line. This means that the Greenville-Columbia highway will pass through Lexington; for it has been declared that this will be equally as near as the other route proposed some months ago. When this road is finished the gang will be moved into the sand hills, where much effective work will be done. Some times we have thought it advisable to make two squads of the gang and let them work in different parts of the county at the same time. Some counties do this, and while, perhaps, it would cost little more, it would be more satisfactory to the people, as we are behind other counties in good roads. You cannot get them for nothing, and we certainly need good roads.

**Glenn Granted Parole By Governor Blease.**

Governor Coleman L. Blease has granted a parole until July 1st to W. B. Glenn, city electrician for the town of Batesburg, who is facing a five years sentence for having killed Clinton Rhoden on the streets of Batesburg on the 24th of last March. Mr. Glenn was tried at the June term of court, was convicted of manslaughter and sentenced to serve a period of five years on the public works of the county or at hard labor in the state penitentiary. The case was appealed to the State Supreme Court and that tribunal handed down an opinion on Thursday affirming the decision of the circuit court. The parole was granted by the governor on Saturday.

**Body of Infant Found.**

The body of an infant was found at the head of Bear creek, near Little Mountain, on Friday by Mr. Ward Palmer. It was wrapped in a ladies' hirtwaist and inclosed in an old sack. It had been placed near the edge of the creek, and from general appearances, had been there for three or four days. Magistrate J. H. Frick began an investigation immediately, but the inquest was not concluded, it having been decided to postpone until next Saturday. It was brought out at the inquest that the child was a very bright mulatto, and not white as was first thought.

**Bleese Has Letter Exposing T. B. Felder**

Columbia, March 19.—A bombshell in the dispensary situation was exploded, when today a letter was made public by Governor Bleese, the nature of which letter is sensational in the extreme, involving the Atlanta attorney, who was most instrumental in prosecuting those who were charged with grafting in the especial field of securing evidence, from which the attorney general did much of his work. A letter, which Gov. Bleese thinks was written by Thomas B. Felder of Atlanta, offering to frame up a \$500,000 deal with H. H. Evans, former member of the State dispensary board of control was announced by Governor Bleese today as his "first grain of sand" on the dispensary investigation situation. Col. Felder denies that he wrote the letter, saying it is a forgery. Hub Evans swears that the letter is genuine and that he can prove it. He states also that he has many more of the same import from the famous Atlanta attorney.

**To Improve Augusta Road Fund is Subscribed.**

The most enthusiastic good roads meeting ever held in Lexington was held here on Saturday afternoon. The purpose of the meeting was to raise funds for the keeping up and for the immediate improvement of the Augusta road between Lexington and Columbia, which is now almost impassible. The organization was affected by the election of Dr. E. J. Eberedge of Leesville, president; B. H. Barre of Lexington, secretary, and Samuel J. Leaphart of Lexington, treasurer. Present at the meeting, in addition to the representatives from the towns in this county, were: A. McP. Hamby, secretary of the Columbia Chamber of Commerce; G. M. Berry, cashier of the National Loan and Exchange bank, Columbia; W. F. Muller, supervisor of Richland county; Frank M. Gibbs, of the Gibbs Machinery Company; Mr. Cantey and others. As a result of the meeting \$300 was subscribed for the immediate improvement of the road between Lexington and Columbia—the delegation from Columbia pledging \$100 of this amount. The prospects are that this fund will be largely increased, the following committees having been appointed to solicit subscriptions for the fund: Lexington—Frank W. Shealy, S. J. Leaphart, B. H. Barre. Leesville—Senator D. M. Crosson, H. A. Meetze, F. Hamp Hendrix. Batesburg—W. C. Farber, Thos. B. Kernaghan. New Brookland—G. A. Guignard, F. R. Geiger. At the meeting the formation of an automobile club for this county was favorably acted upon and discussed, the following committee having been appointed to look after the organization: Frank W. Shealy, B. H. Barre, Samuel J. Leaphart, E. J. Eberedge, H. A. Meetze, D. M. Crosson, F. H. Hendrix, W. C. Farber, T. B. Kernaghan and G. A. Guignard. It was generally regretted that Mayor Sam P. Roof, who is himself an enthusiastic automobilist and good roads advocate, could not attend the meeting on account of this recent long and painful illness.

**Purdy-Strother.**

On Thursday afternoon at the residence of the bride's parents, Judge and Mrs. R. O. Purdy, Miss Jane Purdy and Mr. Edward F. Strother, of Batesburg, were united in matrimony by the Rev. Watson B. Duncan, of Charleston, the former pastor of the bride. The ceremony was performed in the presence of the immediate family of the bride and with a few intimate friends of the bride and groom present. Immediately after the ceremony the newly married couple left on their bridal trip, upon their return from which they will be at home to their many friends in Batesburg.—Sumter Item.

Col. Strother has many friends in Lexington and throughout the county who will learn of his marriage with keen interest and pleasure.
