

The woman who refused to marry a man because he didn't ask her never has any use for the woman he does marry.

A Reliable Medicine - Not A Narcotic

Mrs. F. Marti, St. Joe, Mich., says: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar Compound in which I have great faith. It cured the cough as well as the choking and gagging spells, and he got well in a short time. Foley's Honey and Tar Compound has many times saved us much trouble and we are never without it in the house." Sold by all Druggists.

The only time the average man is willing to admit that he is one of the common people is when he is running for office.

The Political Mind.

One of our exchanges tells of an old German who had a boy of whom he was very proud, and decided to find out the trend of his mind. He adopted a novel method by which to test him. He slipped into the boys room one morning and placed on his table a bottle of whiskey, a Bible and a silver dollar. "Now," said he, "when dot boy comes in if he takes dot dollar he's going to be a beeznis man; if he takes dot Bible he's going to be a preacher; if he takes dot whiskey he's no good, and going to be a drunkard." Then he hid behind the door to see which his son would choose. In came the boy whistling. He ran up to the table picked up the Bible and put it under his arm, then snatched up the bottle, took two or three drinks, picked up the dollar and put it in his pocket, and went out smacking his lips. The Dutchman poked his head out from behind the door and exclaimed: "Mein Gat, he is going to be a politician."

Do Ghosts Haunt Swamps?

No. Never. Its foolish to fear a fancied, evil, when there are real and deadly perils to guard against in swamps and marshes, bayous, and lowland. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "Three bottles drove all the malaria from my system," wrote Wm. Fretwell of Lucama, N. C., and I've had fine health ever since." Use this safe, sure remedy only 50c at all Druggists.

Honesty in Jewelry

"If it came from Sentz's, you know it's all right," is what one of our customers remarked to another the other day.

When you buy Jewelry, you generally have to take the "Jeweler's word for it" whether it is good or not.

That's just where our reputation for honesty and fair dealing counts.

And furthermore, we will always give you your money back and ask no questions any time you are dissatisfied with a purchase.

The Common School.

There's many a stately edifice
With grand and stately walls,
And many an institution rare
With academic halls,
And normal schools and colleges
Where stern professors rule,
But dearer far than all to me
I count the Common School.

The Common school for one and all
A helping hand extends,
It counts the poor as well as rich,
Among its list of friends,
It nothing knows of caste or sect
(God grant it never may)
But may its record be unstained
To many a distant day.

Our Common School! oh save that name

Forever from disgrace,
Oh! raise it high in prominence!
Give it an honored place.

The Common School oh, let it stay
To educate the youth;

It shall not wrong or error teach,
But plain and honest truth.

Oh! guard that institution well
It is our country's pride,

Within this much-loved land of ours
Let it in peace reside;

And garland it with letters bright
Which plainly shall declare:

Our bulwark is the Common School;
Molest it if you dare.

It's Equal Don't Exist.
