It is the doing, not the saying, that makes the hero.
It is not necessarily true that the worst is yet to come.

NOT UNDERSTOOD.

Not understood, we move along asunder,
Our paths grow wider as the seasons creep
Along the years. We marvel and wonder
Why life is life, and then we fall asleep,
Not understood.

Not understood, we gather false impressions,
And hug them closely as the years go by,
Till virtues often seem transgressions;
And thus men rise and fall and live and die,
Not understood.

Not understood! Poor souls with stunted vision
Oft measure giants by their narrow gauge,
The poisoned shafts of falsehood and derision
Are oft launched 'gainst those who mold the age—
Not understood.

Not understood, the secret springs of action
Which lie beneath the surface and the show
Are disregarded. With dissatisfaction
We judge our neighbors; and they often go,
Not understood.

Not understood! How trifles often change us!
The thoughtless sentence and the fancied slight
Destroy long years of friendship and estrange us,
And on our souls there falls a freezing blight—
Not understood.

Not understood! How many hearts are aching
For lack of sympathy! Ah! day by day
How many cheerless, lonely hearts are breaking,
Not understood!

O God that men would see a little clearer,
Or judge less harshly what they cannot see!
O God, that men would draw a little nearer
To one another! They'd be nearer thee,
Not understood.

AFTER 7 YEARS SUFFERING

I Was Cured by Lydia E. Pinkham's Vegetable Compound

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and was cured."

Another Grateful Woman.
Huntington, Mass.—"I was in a nervous, run down condition and for three years could find no help. I owe my present good health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier which I believe saved my life. My doctor knows what helped me and does not say one word against it."—Mrs. MARI JANETTE BATES, Box 134, Huntington, Mass.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, and nervous prostration.

Hog Eats \$2,700.

A Kansas hog that "on the hoof" was worth upward of \$2,700, but dressed was worth only the comparatively insignificant amount represented by "upward" brought about the visit to Washington of Jeremiah Quinn, a farmer residing near Coffeyville. Quinn brought with him a mass that one might mistake for a handful of breakfast food. It is, he says, as a matter of fact, the "unearned increment" that was represented in the value of his hog "on the hoof"

Quinn has his eye fixed on the Washington "pork barrel," but, according to his story, with far more right than can be said of many who view that receptacle for the public ur's. He says he can prove that his hog pounced upon and devoured his \$2,700 bank roll when he dropped it in the pen while feeding the animal. If he can do this to the satisfaction of the treasury department, he doubtless will be reimbursed.
