SHE GOT WHAT SHE WANTED

This Woman Had to Insist Strongly, but it Paid

Chicago, Ill.—"I suffered from a female weakness and stomach trouble, and I went to the store to get a bottle of Lydia E. Pinkham's Vegetable Compound, but the clerk did not want to let me have it—he said it was no good and wanted me to try something else, but knowing all about it I insisted and finally got it, and I am so glad I did, for it has cured me."

"I know of so many cases where women have been cured by Lydia E. Pinkham's Vegetable Compound that I can say to every suffering woman if that medicine does not help her, there is nothing that will."—Mrs. J. J. J. J., 2963 Arch St., Chicago, Ill.

This is the age of substitution, and women who want a cure should insist upon Lydia E. Pinkham's Vegetable Compound just as this woman did, and not accept something else on which the druggist can make a little more profit.

Women who are passing through this critical period or who are suffering from any of those distressing ills peculiar to their sex should not lose sight of the fact that for thirty years Lydia E. Pinkham's Vegetable Compound, which is made from roots and herbs, has been the standard remedy for female ills. In almost every community you will find women who have been restored to health by Lydia E. Pinkham's Vegetable Compound.

May Obtain License On An Affidavit.

The State, Friday, the 14th.

Attorney General Lyon has given an interesting and important opinion in connection with the marriage license law enacted at the last session of the general assembly and which went into effect on July 1. He has ruled that a license may be issued by the clerk of the court or the probate judge as the case may be, upon the presentation of the proper affidavit sworn to before a notary public and that with this affidavit it is not necessary for the contracting parties to appear before the officer issuing the license. The opinion was given upon the request of S. H. Rodgers, the clerk of court of Beaufort county. The opinion says:

"In response will say that it is my opinion that the statement under oath or affirmation, required by section 2 of the act, may be made by any person having knowledge of the facts, before a notary, and that such statement under oath or affirmation is sufficient to authorize the clerk of court or probate judge, as the case may be, to issue the marriage license. It is not necessary, under the terms of this act, that either of the contracting parties appear before the officer who issues the license, but the license may be issued upon presentation of the statement under oath or affirmation as above indicated."

In another case presented Attorney General Lyon has ruled that the officers issuing the license may perform the marriage ceremony.

Honest Medicines Versus Fakes.

President Taft's recent message suggesting an amendment to the Pure Food and Drugs law in its relation to prepared medicines, does not refer to such standard medicines as Foley's Honey and Tar Compound and Foley Kidney Pills, both of which are true medicines carefully compounded of ingredients whose medicinal qualities are recognized by the medical profession itself as the best known remedial agents for the diseases they are intended to counteract. For over three decades Foley's Honey and Tar Compound has been a standard remedy for coughs, colds and affections of the throat, chest and lungs for children and for grown persons, and it retains today its pre-eminence above all other preparations of its kind. Foley Kidney Pills are equally effective and meritorious.

Crazed from Pellagra.

Crazed by the suffering caused by pellagra, which was contracted two years ago, Mrs. J. W. Cate, of Nashville, Tenn., aged 37, killed herself by drinking carbolic acid.

Foley Kidney Pills are composed of ingredients specially selected for their corrective, healing, tonic, and stimulating effect upon the kidneys, bladder and urinary passages. They are antiseptic, antilithic and a uric acid solvent.

From Bite of Crab.

Miss Maybelle Scherirish, age 14, of New Orleans, may lose her left arm and her life because of the bite of a crab. She was "pinched" on the hand by the crab last week and the wound became infected. Physicians are making efforts to save her arm.

Old Soldier Tortured.

"For years I suffered unspeakable torture from indigestion, constipation and liver trouble," wrote A. K. Smith a war veteran at Erie, Pa., "but Dr. King's New Life Pills fixed me all right. They're simply great." Try them for any stomach, liver or kidney trouble. Only 25c at Kaufmann Drug Co.

Claude Armstrong, a 16 year old boy was struck by a falling tree near Duncan's in Spartanburg county last Thursday and killed.

COMFORTING WORDS.

Many a Lexington Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Lexington readers.

A. Marks, Depot St., Lexington, S. C., says: "I had pains in my back and sides for months and did not feel well at all. My kidneys did not do their work as they should and I knew that I needed a reliable kidney medicine. I got a supply of Doan's Kidney Pills from the Kaufmann Drug Co. and since I used the contents of one box, the pain disappeared and my kidneys have become normal. I advise other kidney sufferers to try Doan's Kidney Pills." (Statement given March 9, 1908.)

PRaises DOAN'S AGAIN.

Mr. Marks was interviewed on March 23, 1911 and he added to the above: "I take pleasure in confirming my previous endorsement of Doan's Kidney Pills. I certainly think that this preparation is worthy of the highest praise."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
