I will furnish a First-class Barbecue with Refreshments at Pine Ridge, on the second Saturday in August, 12th. Able speakers will be present to discuss the issues of the day. The public cordially invited.
4w40 T. F. SHEALY.

When you are in need of Job Work let us figure with you.

"I Am Glad"
writes Mrs. Ethel Newlin, of Liberty Center, Ind., "that I began to take Cardui, for it has cured me, and I will never forget it. "I cannot praise Cardui too highly for what it did for me. Before I began to take it, I was very bad color, suffered great pain and weighed only 105 pounds. Now I have a good color, do not suffer and weigh 125 lbs."

Take CARDUI

The Woman's Tonic

Beware of strong, noxious, mineral drugs, that sink into your system, like lead to the bottom of a basin of water. Cardui is purely vegetable and contains no poisonous minerals, or dangerous drugs. It is perfectly safe and harmless, for use by old and young, and may be taken, as a tonic, for months, without any possible harmful effect. Try it.

MILLS SHUT DOWN FOR LACK OF POWER

Drought Affects 152 Plants in North Carolina. Charlotte, N. C., July 31.—As a climax to the unprecedented drought this section is experiencing, one hundred and fifty-two cotton mills in North and South Carolina shut down today because the water in Catawba river is so low that the Southern Power company cannot supply the plants with power. It is estimated that 70,000 operators are thrown out of employment. It is expected that work will be resumed in two days. It has been many weeks since rain of any consequence has fallen, and local weather bureau records show now a deficiency of 50 per cent in precipitation for this section. Creeks which have not gone dry in 45 years are mud holes, and the distress among the rural population, dependent for water on wells, is great. Mountain streams to the west, upon which many flouring mills, tanneries, and cotton mills are dependent for power, have dwindled to mere brooks in some instances, and many foreign enterprises have been forced to shut down. Crops in this immediate section are burning up in the fields. Many farmers in this and adjoining counties, despairing of a corn crop, have chopped down the young corn and are using it for feed, while the hot winds are playing havoc with cotton.

Cities and towns to the north and west of Charlotte are facing the ordeal of a water famine that this city is now experiencing. Concord, Wadesboro, Monroe and other towns are facing the water supply problem, and measures of economy are being enforced. The situation in Charlotte is not improved, although the authorities are working day and night on the problem. Feeling that the distress is not being relieved as promptly as was hoped for by means of tank cars, the offers of water from Shelby, Lincoln and Gastonia were today accepted, and tank cars brought in tonight 50,000 gallons from Gastonia. This was pumped into the mains of the city by means of fire engines.

Special prayer services for rain were yesterday held in churches throughout the section. There was a brief shower today and rain is falling lightly tonight, with promising atmospheric conditions.
