Three Men Were Killed.

At Louisville, Ky., an avalanche of bricks from upper walls of a burning six-story building, in the Main street wholesale district, crashed through three floors of an adjoining building, killing three firemen and injuring two others.

Averts Awful Tragedy.

Timely advice given Mrs. C. Wiloughby, of Marengo, Wis., (R. No 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. I also saved my little boy when taker with a severe bronchial trouble." This matchless medicine has no equal for its out and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by All Druggists.

The Wages of Sin.

Mrs. Fern Wilson, aged 19, of Beebe, Ark., was shot four times and instantly killed in a room at a Monroe, La., hotel by W. Westerfield, a lumberman of Calhoun, La., who then sent a bullet through his own heart and fell dead across the body of his victim. Westerfield leaves a wife and three children. He recently went to Hot Springs, Ark., and met the young woman there. They went to Monroe on Friday night, she registering as Miss Virginia Stanley, of Hot Springs.

Fight Caused Death.

Intense excitement while witnessing an altercation between Leon Combs and John Daugherty, one armed with brass knucks, caused William Nettle, aged 50, to drop dead from heart failure at Manor, Ga.

Never in the history of civilization has there been a greater premium on well trained minds than at the present time. Never were business enterprises conducted on a greater scale or required more skillful management. Mediocrity of indifferent service will no longer be tolerated.

The young man or woman must be able to do the work required by this exacting age or give way to those who can.

We have the facilities for supplying what the business world demands.

Our course of study is modern, our teachers are earnest, zealous and practical, and our appointments first-class. We cannot expect to secure nor deserve the patronage of the public unless we do thorough work, for the success of our school depends upon the success of our graduates.

There is no time like the present. Improve the present and you assure the future.

Queer Case For Divorce.

Mrs. Henry Schutz, of St. Paul, Minn., on the ground that her husband said he was a widower with three children before the marriage, whereas after the knot had been tied, Mrs. Schutz was "shocked and surprised, although fond of children, to learn he had ten, ranging in age from one to fifteen years."

Honesty
in Jewelry

"If it came from Sentz's, you know it's all right," is what one of our customers remarked to another the other day.
When you buy Jewelry, you generally have to take the "Jeweler's word for it" whether it is good or not.

That's just where our reputation for honesty and fair dealing counts.

And furthermore, we will always give you your money back and ask no questions any time you are dissatisfied with a purchase.

Special attention to mail orders.

WOMAN
ESCAPES
OPERATION

Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SADIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

Kills Wife, Shoots Self.

Edward H. Schuhardt shot and killed his wife, Gertrude, at a canning factory near Colington, Prince George county, Maryland. He escaped for a time in the surrounding woods only to shoot himself when surrounded by a posse. Domestic troubles are given as the reason for the shooting. Schuhardt probably will recover.
