1. Never put off till tomorrow what you can do today.
2. Never trouble another for what you can do yourself.
3. Never spend your money before you have it.
4. Never buy what you do not want because it is cheap.
5. Pride costs us more than hunger, thirst and cold.
6. We seldom repent of having eaten too little.
7. Nothing is troublesome that we do willingly.
8. How much pain the evils have cost us that have never happened.
9. Take things always by the smooth handle.
10. When angry, count ten before you speak; if very angry, count a hundred.

Cats Taxed in Munich.

The first city in the world to levy a tax upon the domestic cat is Munich, Bavaria. This municipality has fixed the tax at five marks (\$1.20) a year. Manifold reasons are given for the unpopular measure. It is considered that there are far too many cats in the city, and it is expected that the levying of the tax will result in reducing the numbers kept. Every cat is to be provided with a special collar and a metal check such as the dogs wear, and those who are not thus equipped will be caught by authorized persons.

Union Stores in Texas.
Within the past two years the Farmers' Union of Texas and the trades unions in many of the cities and towns of that State have joined forces in a successful effort to reduce the "high cost of living." This has been accomplished by the opening of union stores. There are now over two hundred such stores in Texas and all of them have passed beyond the experimental stage.

When you have a bad cold you want the best medicine obtainable so as to cure it with as little delay as possible.
