

Perfect Skin

Dr. Woods Hutchinson, considered one of the most brilliant writers on modern therapeutics, says: "richness and freshness of color are

Richness and Purity of Blood

and vigor of circulation. A good complexion emphatically comes from within; only imitations and poor ones at that can be painted, plastered or rubbed on from without. To look well you must be well. If you want the clean, clear complexion glowing with the crimson of pure blood, the bright sparkling eye and the happy expression that comes from vigorous healthy blood, ask your druggist about Milam. A blood purifier and reconstructive tonic standing alone and without competition. If you suspect any other preparation of being in its class we ask that you read the labels. The pure food law protects only those who read the labels. No blood remedy should contain alcohol—a false stimulant and uric acid producer.

INFORMATION FOR DEPOSITORS.

Postal Saving System.

OBJECT.

1. The postal savings system is established for the purpose of providing facilities for depositing savings at interest with the security of the United States government for repayment.

SAFETY.

2. The faith of the United States is solemnly pledged to the payment of deposits made in postal savings depository offices with accrued interest as provided by the postal-savings act.

WHO MAY DEPOSIT.

3. Accounts may be opened and deposits made by any person of the age of ten years or over in his or her own name and by a married woman in her own name and free from any interference or control by her husband. No person can have more than one account at any one time.

4. No person may open a postal-savings account at any post office who is not a patron of that office.

5. All accounts must be opened in person by the depositor or his authorized representative. After opening an account a depositor may forward subsequent deposits to the post office by mail.

6. Deposits will be accepted only from individuals, and no account will be opened in the name of any corporation, association, society, firm, or partnership, or in the names of two or more persons jointly.

7. No account will be opened in the name of one person in trust for or on behalf of another person or persons.

PRIVACY OF ACCOUNTS.

9. No person connected with the post office department or the postal service is permitted to disclose the name of any depositor or give any information concerning an account except to the depositor himself, unless directed to do so by the Postmaster General.

DEPOSITS.

11. Deposits are evidenced by postal-savings certificates issued in fixed denominations of \$1, \$2, \$5, \$10, \$20, \$50, and \$100, each bearing the name of the depositor, the number of his account, the date of issue, the name of the depository office, and the date on which interest begins. The postmaster or his representative will make out a duplicate of each certificate issued, which the depositor will be required to sign and which the postmaster will retain in his records.

12. No account may be opened for less than \$1, nor will fractions of a dollar be accepted for deposit.

13. No person is permitted to deposit more than \$100 in any one calendar month nor to have a total balance to his credit at one time of more than \$500 exclusive of accumulated interest.

14. Savings certificates cannot be transferred or negotiated and will be payable only to the person to whom issued.

15. On opening an account a depositor is supplied with an envelope in which he may keep his savings certificates. On this envelope is printed information for his guidance, and also a blank ledger record on which to keep an account of his deposits and withdrawals.

16. In case a savings certificate is lost or destroyed the depositor should notify the postmaster. If deemed proper, a new certificate will be issued upon compliance by the depositor with the necessary requirements.

17. Postmasters are not permitted to receive savings certificates for safe-keeping.

SAVINGS CARDS AND STAMPS.

18. Amounts less than \$1 may be saved for deposit by the purchase of 10-cent postal-savings stamps. Each postal-savings card contains blank spaces to which saving stamps may be affixed from time to time as purchased, and a postal-savings card with nine 10-cent savings stamps thus fixed will be accepted as a deposit of \$1 either in opening an account or in adding to an existing account.

19. Savings cards and stamps will be redeemed only by the issue of savings certificates and are not valid for postage. They will not be received in exchange for postage stamps nor will postage stamps be accepted in exchange for postal-savings cards for stamps.

INTEREST.

20. Interest will be allowed on all deposits at the rate of 2 per cent per annum, computed on each savings certificate separately, and payable annually. No interest will be paid on money which remains on deposit for a fraction of a year only.

21. Deposits will bear interest from the first day of the month next following that in which deposited.

22. Interest will continue to accrue on a savings certificate as long as it remains outstanding, certificates being valid until paid, without limitation as to time.

23. Compound interest is not allowed on an outstanding certificate, but a depositor may withdraw interest payable and include it in a new de-

posit, which will bear interest at the regular rate.

WITHDRAWALS.

24. A depositor may any time withdraw the whole or any part of his deposits to his credit with any interest payable by surrendering savings certificates, properly endorsed, for the amount desired.

25. A depositor presenting a certificate for payment in full with all interest payable must indorse it on the back in the presence of the postmaster or his representative and surrender it. The postmaster or his representative, if satisfied as to the depositor's identity, will then make payment.

26. When a depositor desires to withdraw only a part of the amount called for by any certificate the postmaster will cancel the certificate and issue a new certificate covering the amount to be left on deposit.

27. When a depositor desires to withdraw merely the interest payable on any certificate, instead of indorsing and surrendering the certificate as in case of full payment, he will be required to give his receipt in duplicate for the amount of the interest paid. The postmaster will enter the interest payment on the back of the certificate and return it to the depositor.

INFORMATION.

38. Further information concerning the postal savings system may be obtained by application at any depository office or by inquiry addressed to the Postmaster General (postal savings system), Washington, D. C.

Postmaster General.

New Times, New Things

The old fertilizer formulas are giving way to the new. At every farmers' meeting one subject should be the fertilizer formula that will furnish a balanced ration to the crop and keep up the fertility of the soil. To do this the fertilizer should contain at least as much

POTASH

as Phosphoric Acid. Our note book has condensed facts essential in farmers' meetings and plenty of space to record the new things that you hear. Let us send one to you before your Institute meets.

A supply of these is furnished by request to every institute held in several states. We will be glad to send a supply delivered free of charge to every Institute, Grange or Farmers' Club Officer on request. It contains no advertising matter.
