

Strength For The Pull

The race is to the strong

Have you strength for the up-stream pull of life—are you gaining, just holding your own, or do you feel yourself being swept back by the current of circumstances? Strength is what you need—the strength that comes from good red blood.

Read these extracts from letters of gratitude from those who did:

My general health and strength have also improved and I attribute this to the use of Milam.—W. E. Griggs, Danville, Va. Gained 20 pounds of solid flesh.—Harvey Diggins, Ferrisburgh, W. Va. Have taken only a few bottles of Milam but feel stronger and better, more active and able to stand up under my work.—Rev. H. D. Guernsey, Danville, Va. I gained 12 pounds on 1 1/2 bottles of Milam.—T. B. Stalmer, Charleston, W. Va. My strength has returned and I feel better than I have in 20 years, thanks to Milam.—Benjie Jones, Newport News, Va. Took six bottles of Milam, feel like a new man.—Claude Currier, 649 E. Main St., Norfolk, Va. Am on my fourth bottle of Milam and can now eat all I can get, and weigh more than I ever did in my life.—J. M. Roark, Bradford, Va. After using seven bottles I find myself in perfect health, fine appetite and feeling better than in 20 years.—Mrs. H. Reynolds, Critz, Va. I have taken six bottles of Milam and can truthfully say I am feeling better than I ever remember before.—Arthur L. Schriebl, with Wemple, Ellerson & Co., Washington, D. C. Milam benefited me in almost every way, it is a magnificent tonic.—Harry W. Holland, Imp. Tobacco Co., Danville, Va. I believe Milam to be the greatest medicine yet discovered for nervous and run-down systems.—T. Shep Brown, Norfolk, Va. 151

Severe Arraignment Of The Social Clubs.

To the Editor of The Dispatch.

I am trying to live for my maker, the one we all ought to serve; the master of all things, and yet there are so many who do serve the devil in so many ways. The greatest of all evil is liquor, for it leads to all other sin. The men voted out the dispensary and now we have what they call the social club. If they are anything social about them it will be in the future, for it hasn't been in the past. It has been one of the worst curses that has ever been in Lexington. Some of the officers of the club are officers in the church. No wonder the churches are in such bad condition! Some of the men take their own boys to the so-called social club to drink and gamble. Oh, may they remember that the good Lord giveth and that He can take away! They are training their boys for that awful place where there will be no rest for the weary and no pitying eye to watch over them. You men who are pursuing these evil habits should think twice before you act. Have you a family at home needing that money you are giving to the devil and who need your protection? Or a dear old mother at home praying for you?

It is time for people to realize that our blessed Saviour bled and died on the Cross that we might live. May God help them to realize how weak they are without His great helping hand. The bible speaks of the guardian angel. How would a father feel if one of his dear little babes would appear before him while he is partaking of these evil things; for most of all of us have some loved gone before. I pray God to hasten the time when all the leading men of South Carolina will be God-loving and God-serving men. There are men in office today who took the obligation to fight against lawlessness, but instead they uphold it. There are people who say they don't believe in women being leaders; but if the women don't take hold and help the cause I don't know what will become of this old world. There are men today upholding sin and are causing their own wives and daughters to be murdered, and if people would gather together to worship God as they do to worship in sin there would not be as much trouble in our land as there is today. Citizen.

Not the Only Place.

This world is not the only place, and yet we ought to try
To make it do until we've won our mansion in the sky.
This world won't start and end it all
There's something finer still;
But let us be content with it
As long as it's His will.
This world is not the only place, and often we may wink,
And stick our noses up at it when dreams of grace we drink.
And yet we ought to try our best
To make it do while here,
With all its laughter and its song,
Its heartache and its tear.

This world is not the only place, beyond its confine lies
The pleasant valley of the dreams that men call Paradise.
Yet this should beg quite good enough,
For us while here we stay?
So beautiful its changing charm,
December unto May!
