Obituary.

Jesse James Berry was born in New Brookland May 19, 1890, and departed this life on the morning of Christmas day, 1911, being 21 years, 7 months and 19 days of age. He was the son of Mr. and Mrs. J. Lem Berry, who are now residents of Swansea. His remains were laid to rest near Swansea.

The writer knew the deceased quite well when the family resided in New Brookland. Jesse was a general favorite among all who had the pleasure of knowing him. His death was very sudden and unexpected, he being sick only a short while. His family are sadly grieved by his death. No longer can they hear his soft and welcome footsteps around their family fireside. He has left a vacant chair in their home and family circle—a stillness that is almost unbearable; but amid all there still remains his sweet assurance that the life of this dear boy has merely passed from this life into the great beyond to be forever with the blessed Savior.

The family requests the writer to return thanks to their neighbors and

friends for the many kindnesses shown them during the short illness of their departed son.

Card From Dr. Harding.

To My Friends in Lexington County:
I take this method of bringing to your attention the fact that for your special accommodation and convenience I have opened a first-class dental office at 1521 Main Street, Columbia, over M. L. Kinard's clothing store, where you will find at all times a competent and scientific dentist, my associate, Dr. Whitehead, who, with a lady assistant, will attend to you in a most polite and gentle manner, if I am not present.

I shall also continue my office near Hyatt's Park, should you desire to come by the dirt road in your buggies. I can be communicated with by letter, phone or telegram at my expense. Phone No. 612.

Call and see our new and modern office and get prices whether you have work done or not.

Your true, tried, and "painless" friend,

Court Adjourned.

The court of general sessions came to a close on Saturday night, after having disposed of many cases during the week.

In the case of Barney Reeder, who was charged with assault and battery with intent to kill, which was in progress when we went to press last week, the jury failed to agree and a mistrial was ordered.

Lawrence Robertson, a negro charged with murder, it having been alleged that he wrecked a passenger train at Swansea on the morning of November 6, last year, causing the death of the engineer, was found not guilty.

Robertson was ably represented by Ex-Senator Sharpe and Barrett Jones.

This was the last case of the week and court adjourned sine die.

The Citizens' Telephone company is erecting a temporary office on the lot adjoining the burned building, and the local system will be working in full operation soon.
