males.

Of all the deaths from this cause re-
turned for the registration area of the

Mob Lynchs Negro Fiend

A mob of five hundred men stormed
the jail at Cordale, Ga., on Tuesday,
where Albert Ham lton, the negro as-
sailant of a white girl, was confined,
took him and hanged him to a tree.

Hamilton's arrest resulted after a
young white woman of a prominent
Cordale family was assaulted, in the
city's principal residence section. As
the girl walked along the street she
was seized by the negro and dragged
behind a high fence, only a short dis-
tance from a number of residences.

**How Cold Affects The
Kidneys.**

Avoid taking cold if your kidneys
are sensitive. Cold congests the kid-
neys, throws too much work upon
them, and weakens their action. Se-
rious kidney trouble and even Bright's
disease may result. Strengthen your
kidneys, get rid of the pain and sore-
ness, build them up by the timely use
of Foley Kidney Pills. Tonic in ac-
tion, quick in results.
