Expert Study Of Red Spider to Continue.

Congressman Lever has been successful in his efforts to have the red spider pest investigation continued in this county. About two years ago Mr. Lever's attention was called to the existence of the spider in this county and the damage threatened by its presence. Owing to its alarming increase in the vicinities of Batesburg, Leesville and Lexington, Mr. Lever was enabled to secure an appropriation for an investigation. The work has already covered a period of two years.

During the past season the investigation was carried on by Mr. E. A. McGregor of the bureau of entomology. Owing to some doubt as to whether the bureau could spare an expert to continue the work, it was feared that nothing further would be done. However, through the continued efforts of Mr. Lever, assisted by testimonials of the splendid work already done, the bureau has returned Mr. McGregor with the intention of keeping him at Batesburg until the problem is entirely solved.

During the winter months Mr. McGregor prepared a circular setting forth the results of his investigations, which will soon be ready for distribution. As soon as it comes from the printer, copies can be procured either from the bureau of entomology in Washington or from Mr. McGregor at Batesburg. It contains much valuable information on the subject and should be read by all cotton planters, whether the pest has yet reached them or not.

Do you know that more real danger lurks in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by all dealers.

In most cities milk sells at retail for eight cents a quart, and at that price it is the cheapest and most valuable food known.

Blamed A Good Worker.

"I blamed my heart for severe distress in my left side for two years," writes W. Evans, Danville, Va., "but I know now it was indigestion, as Dr. King's New Life Pills completely cured me." Best for stomach, liver and kidney troubles, constipation, headache or debility. 25c. at all druggists.

The Chinese seem to think a great deal more of the new year than they do of the new regime.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers.

If you can hold your cotton you will find it cheaper than making a new crop.

For a sprain you will find Chamberlain's Liniment excellent. It allays the pain, removes the soreness, and soon restores the parts to a healthy condition. 25 and 50 cent bottles for sale by all dealers.

Honesty in Jewelry

"If it came from Sentz's, you know it's all right," is what one of our customers remarked to another the other day.

When you buy Jewelry, you generally have to take the "Jeweler's word for it" whether it is good or not.

That's just where our reputation for honesty and fair dealing counts.

And furthermore, we will always give you your money back and ask no questions any time you are dissatisfied with a purchase.

Special attention to mail orders.
